

CURRICULUM VITAE

PERSONAL DATA

Name :- Ahmad Mahrous Mohamed

Date of birth :- 24/6/1963

Marital status :- married – father of four.

Phone numbers :-

* Mobile 0020 1145051930

* Clinic 0020 862334999

* Home 0020 862092346

Email : ahmed_mahrous63@yahoo .com

postal address :- Plastic surgery department - Minia university hospital-Egypt

CURRENT POSITION

- Professor Oro-maxillofacial and Plastic surgery . Plastic surgery department -Faculty of Medicine - Minia university since 31-7-2013

- Director of Minia university medical private hospital.

EDUCATION

1981 – 1987 *Bachelor of Medicine (MBBCh)

.Faculty of Medicine

.Assiut university

1989-1992 : * Master degree of general surgery (MSc) .

.Faculty of medicine .

.Assiut university

1996 – 2002 : * .Bachelor degree of dental surgery(BDS)

.faculty of dentistry .

.Alexandria university .

This included attending and passing exams of full courses of dental basic and clinical sciences to achieve double qualifications

-April 2003- * Doctor degree (M.D) in oral-maxillofacial & plastic surgery .

.faculty of dentistry

.Alexandria university

POSITIONS

*** From 1-9-2012 till 1-6-2013 : director of Minia dental university hospital**

*1-8-2013 till now : Professor maxillofacial and plastic surgery-Plastic surgery department-Faculty of medicine-Minia university.

*** June2008-30-7-2013**: Associate professor of Oro-maxillofacial and Plastic surgery –Plastic surgery unit-Faculty of Medicine- Minia university.

***October2007-August2009**: Consultant Maxillofacial surgery- Al Noor Specialist hospital-Holly Makkah-Saudia Arabia.

***june 2006-September 2007** :Lecturer of Oro-maxillofacial and Plastic surgery –Plastic surgery unit-Faculty of Medicine- Minia university.

***June 2003-June 2006** Lecturer of Oro-maxillofacial and Plastic surgery –Plastic surgery unit-Faculty of Medicine-Assiut university

***1996-2003** : *Assistant lecturer of oro-maxillofacial and plastic surgery- Maxillofacial and plastic surgery department –faculty of dentistry-.Alexandria university

***1992 – 1996** : *Assistant lecturer of general surgery
.General surgery department
.Assiut university
- Worked for 2 years in the vascular surgery department

5/3/1989-21/5/1992:Resident in the general surgery department

.faculty of medicine

.Assiut university

*Gained experience in general surgery, accidents and emergency

***1/3/1988-28/2/1989:** *House officer in the main university hospital
.Faculty of medicine .Assiut university

CLINICAL EXPERIENCE

- As a house officer , I trained in internal medicine, pediatrics , obstetrics and gynaecology , general surgery , anaesthesia and ophthalmology departments .

-I was responsible for a general surgical ward ,

-I also assisted in teaching undergraduates and house surgeons . I was responsible for arranging surgical lists , assisted in major surgeries and performed surgical procedures .

-I was then appointed assistant lecturer of general surgery , Faculty of medicine , Assiut university , I worked for two years in the vascular surgery department and gained experience in dealing with the blood vessels .

-I was then appointed assistant lecturer of Oro-maxillofacial and plastic surgery , faculty of medicine , Assiut university .

-I WAS THEN AWARDED A MISSION TO EXPAND MY SURGICAL KNOWLEDGE TO THE ORO-MAXILLO FACIAL AND PLASTIC SURGERY DEPARTMENT, FACULTY OF DENTISTRY , ALEXANDRIA UNIVERSITY . I WORKED WITH SEVERAL CONSULTANTS AND GAINED EXPERIENCE IN MAXILLOFACIAL TRAUMA , HEAD AND NECK CANCER SURGERY , ORTHOGNATHIC SURGERY ,CRANIOFACIAL SURGERY , CLEFT LIP AND PALATE SURGERY , DENTOALVEOLAR SURGERY, FASCIAL SPACE INFECTIONS AND TEMPOROMANDIBULAR JOINT SURGERIES.

TEACHING EXPERIENCE

- As a resident in the general surgery department , I participated in demonstrating clinical signs to undergraduate students and house surgeons .
- As an assistant lecturer in the general surgery department ,I participated in lecturing undergraduate medical students .
- As an assistant lecturer in the Oro – maxillofacial and plastic surgery department , I taught undergraduate dental students the basic principles of general surgery and maxillofacial surgery and demonstrated clinical signs on patients .
- As a lecturer ,associate professor and professor of Oro-maxillofacial and Plastic surgery. I have taught undergraduate and postgraduate dental and medical students and have participating in their final evaluations.
- My current position is a professor of oromaxillofacial and plastic surgery.
- Faculty member in AOCMF
- I supervised several MSc and MD thesis in the maxillofacial and plastic surgery field .
- I discussed several MSc and MD theses in the maxillofacial and plastic surgery field. .

SURGICAL INTERESTS

- Maxillofacial trauma
- Facial esthetic surgery
- Surgical management of oral cancer
- Reconstructive microsurgery of the head and neck

- Orthognathic surgery
- Surgery of the salivary glands
- Cleft lip and palate surgery
- Dentoalveolar surgery
- Temporomandibular joint surgeries.

COURSES ATTENDED .

- Attended the 5 th winter school organized by the Oro-maxillofacial department , faculty of dentistry , Alexandria university in association with Strasbourg osteosynthesis research group and **shared in the workshop done on Shampee osteosynthesis (November 1997)**
- Attended the 6th winter school organized by the Oro-maxillofacial department , faculty of dentistry , Alexandria university .
- Satisfactory completed the basic microsurgery workshop organized by Zagazig university (November 1999).**
- Attended the course arranged by Alexandria university directed towards assistant lecturers regarding teaching university students (October 2002) .
- Attended the 11 th International Alexandria Dental Congress (November 2000) .
- Participated in the 13 th International Alexandria Dental Congress by a poster titled 'The use of the free radial forearm

flap in the reconstruction of full thickness cheek defects
(November 2002)

-Attended the 32 nd annual meeting of the egyption society of
plastic and reconstructive surgeons (March 2002)

**-Attended the cadaveric dissection course , skull base
dissection course , skull base surgery , organized by the
neurosurgery department , Alexandria university
(September 1998) .**

*Attended the 7th winter school on distraction osteogenesis in
craniomaxillofacial and plastic surgery department, Faculty of
dentistry- Alexandria University (December 2nd-5th 2003)

*Attended the 8th winter school on craniofacial surgery in
craniomaxillofacial and plastic surgery deparment, Faculty of
Dentistry-Alexandria university(December 7th-9th 2005).

*Participated in the 1st Territorial dental congress by a paper
titled : Fascial space infection of odontogenic origin.

*Participated in the 2nd International Minia dental congress by
a paper titled : Brown tumours of hyperparathyroidism.

*Attended the 3rd annual Craniofacial surgery conference on :
Cleft lip and Palate organized by the Egyptian Society of
Plastic and Reconstructive Surgeons.

-Attended the first conference of Otolaryngology in Assiut
university(October 2004)

-Attended the the 36th annual meeting of the Egyptian society of
plastic and reconstructive surgeons(February 2006- Hurghada)

- Attended and actively participated in the 2nd annual meeting of the plastic and reconstructive surgery unit, El-Minia university in collaboration with ESPRS(March2006).
- Attended and actively participated in the 2nd Territorial dental congress(March2006).
- Attended and actively participated in the 4th annual scientific conference held at the faculty of medicine El-Minia university(April2006).
- Attended the second conference of Otolaryngology held in Assiut University (28-29 November 2006).
- Actively participated in the infection control workshop conducted in Minia university hospital (9-12 September 2006).**
- Attended the fourth annual craniofacial surgery conference on Maxillofacial injuries organized by the Egyptian Society of Plastic& Reconstructive surgery.
- Participated in the Head and Neck imaging refreshing course held in Minia Atown hotel (18-19 january 2007) .
- Attended and actively participated in the 37th annual meeting of the egyptian society of plastic and reconstructive surgeons (13-16 february, 2007).
- Actively participated in the 3rd international dental congress held in Mercure Hotel, Minia (8-10 March 2007).
- Participated in the 5th Pan Arab association of oral and maxillofacial surgeons conference in collaboration with King

- Fahd Hospital, Jeddah by a paper titled "Perioral defects-reconstructive techniques" .
- Participated in the 10th craniomaxillofacial and plastic surgery congress held in Alexandria (16-18 December - 2009) by a paper titled “ Sphincter pharyngoplasty and superiorly based pharyngeal flap- videonasopharyngoscopic evaluation and phoniatic outcome”
 - Participated in the 40th international annual conference of ESPRS held in Sharm El-Sheikh(16-19 February- 2010) by a paper titled “Distraction osteogenesis as followed by CT scan in Piere robin sequence”.
 - Participated in the 6th Pan Arab association of oral and maxillofacial surgeons conference held in Gedda (15-19 march 2010) in collaboration with King Fahd Hospital, by a paper titled “ Sphincter pharyngoplasty and superiorly based pharyngeal flap- videonasopharyngoscopic evaluation and phoniatic outcome”.
 - Attended and actively participated in the xx EACMFS (European association of craniomaxillofacial surgery) held in Belgium in the period from 14-17 September 2010 by the same previous paper.
 - Attended and actively participated in the first congress of the Egyptian society of the craniomaxillofacial surgery in collaboration with the ESPRS by an orally presented paper

- titled (Distraction osteogenesis as followed by CT scan in Piere robin sequence).
- Attended and actively participated in the 2nd pan arab association of maxillofacial surgery held in Antalia-Turkia in the period from 25-29 May 2011 by an orally presented paper titled (Distraction osteogenesis as followed by CT scan in Piere robin sequence).
 - Participated in the 41st international annual conference of ESPRS held in Sharm El-Sheikh(27-30 October 2011) by a paper titled “Transmasseteric anteroparotid approach- Merits and demerits”.
 - Attended and actively participated in the 11th winter school of craniomaxillofacial and plastic surgery held in Alexandria (7-8 December – 2011.) by a paper titled “Simultaneous three layer closure of the vestibulonasal fistula, cheloplasty and rhinoplasty in cleft lip nose deformity patients ”.
 - Attended and actively participated in the 4th annual conference of the plastic surgery unit- El Minia university in collaboration with ESPRS held in EL Minia in the period from 19-20 -1-2012 under the title of (Indications of free flaps) by a paper titled (Advanced cheek cancer-Reconstructive techniques).
 - Attended the 42nd international annual conference of ESPRS held in Sonata hotel-Cairo (1-2 March 2012).
 - Attended and actively participated in the 10th Sohag annual meeting (10&11-5-2012)and workshop on osteoeosynthesis by

a paper titled(Sphincter pharyngoplasty and superiorly based pharyngeal flap- videonasopharyngoscopic evaluation and phoniatic outcome).

- Attended and actively participated in the 36th plastalex 2012 congress held in Palestine hotel-Alexandria in the period from 5-7/9/2012 by an orally presented paper titled “Simultaneous three layer closure of the vestibulonasal fistula, cheloplasty and rhinoplasty in cleft lip nose deformity patients ”.
- Attended and actively participated in the 4th Minia dental congress held in Grand Aton hotel in the period from 26-28/9/2012 by an orally presented paper titled (Distraction osteogenesis as followed by CT scan in Piere robin sequence.
- Attended and actively participated in the international hand and microsurgery congress MHMU & ESSHM 2012 held in Horus hotel El Minia in the period from 4-6/10-2012 by an orally presented paper titled(Clinical evaluation of vascularized tissue transfer for reconstruction of maxillary defects after tumour ablation).
- Attended and actively participated in the Dental Student Scientific Association of Minia university held in Suzan Mubark hole on 10-12-2012 by alecture titled (Congenital anomalies in the head and neck.
- Attended and actively participated in the first international upper Egypt congress on body contouring in collaboration with

the ESPRS in the period from 12-14 December 2012 in Sonesta hotel-Hurghada.

- Attended and actively participated in the workshops of the 43th annual meeting of the Egyptian society of plastic and reconstructive surgeons in collaboration with Turkish society of plastic reconstructive and esthetic surgeons(TSPRAS) at 12 Feb 2013-Porto Sokhna hotel.
- Attended and actively participated in the 43th annual meeting of the Egyptian society of plastic and reconstructive surgeons in collaboration with Turkish society of plastic reconstructive and aesthetic surgeons(TSPRAS) in the period from 12-15 Feb 2013-Porto Sokhna hotel.
- Attended and actively participated in the 21st international congress of oral and maxillofacial surgery held in Barcelona in the period from 21– 24/10/2013 by two oral presentations and one poster- Jan Carlos hotel.
- General secretary of the second upper Egyptian congress of plastic surgery departments in collaboration with the ESPRS in the period from 25-27/12/2013 that has been held in Grand Aton hotel –El Minia under the heading Facial asymmetry
- Attended and actively participated in the 44th annual meeting of the Egyptian society of plastic and reconstructive surgeons in the period from 18-21 Feb 2014-Movenbick hotel- Hurghada
- Attended the 5th international dental congress in the period from 27-29 March 2014 that has been held in the faculty of

dentistry-Minia university in collaboration with Sinai university.

- Attended and actively participated in the 8th international conference of EAOMS in the period 24-26 September 2014-Grand Haiat hotel-Cairo-Egypt.
- Attended and actively participated in the 3rd upper Egypt conference of plastic surgery departments (Cleft and craniofacial surgeryI) in collaboration with ESPRS in the period from 3-5 December 2014-Sonesta hotel- Hurghada
- Attended the 15th annual Ain Shams instructional course on rhinoplasty in collaboration with the ESPRS –Renaissance cairo mirage city hotel-18 December,2014.
- Attended the annual combined meeting in limb reconstructive surgery that has been held in Minia convention center in collaboration with the orthopaedic surgery department in the period from 8-9 September 2015.
- Attended and actively participated in the XX11 ICOMS(2015) that has been held in Melbourne – Australia (Convention exhibition center) in the period from 27 to 30 October 2015.
- Attended and actively participated in the 12th winter school of craniomaxillofacial and plastic surgery that has been held in Alexandria convention center in the period from 4-6 November – 2015.
- Attended and actively participated in Sohag annual international conference of surgery,laparo-endoscopy and

- oncology that has been held in Sohag general surgery department in the period from 18-19 November 2015.
- Attended and actively participated in the AOCMF course that has been held in Park in hotel - Muskat-Oman in the period from 15-17/1/2016 under the title (Principles of maxillofacial trauma with half day on orthognathic surgery).
 - Attended and actively participated in the first congress of the Egyptian association of maxillofacial and head and neck surgery that has been held in Assiut university in the period from 7-8 April2016
 - Attended El Azhar university congress under the title Genito urinary anomalies .
 - Attended and actively participated in the scient global conference on dental and oral health that has been held in Dubai in Crown Plaza hotel in the period from 22-24 August 2016.
 - Attended and actively participated in the 9th international conference of the egyptian association of oral and maxillofacial surgery in collaboration with the 5th international conference of the Pan african association of oral and maxillofacial surgery that has been held in Grand Nile hotel – Cairo in the period from5-7 October 2016.
 - Attended the 5th upper Egypt universities annual meeting organized by Plastic surgery department Beni Suef university

- in collaboration with ESPRS in the period from 23-26 November 2016 in Desert Rose Hotel-Hurghada-Egypt.
- Attended and actively participated in the 47th annual meeting of the Egyptian society of plastic and reconstructive surgeons in the period from 28 February – 3 March 2017 that has been held in JW Marriot hotel-Cairo.
 - Attended and actively participated in Alexandria Sialendoscopy workshop (Lectures+ Hands on) that has been held in the period from 23-25 March 2017 in the faculty of medicine convention center by an orally presented paper titled (Epithelial salivary neoplasms).
 - Attended and actively participated in Kawamoto Craniomaxillofacial Symposium in the period from 10-12 April 2017 that has been held by the plastic surgery department in collaboration with the ESPRS in Sohag Rose island.
 - General secretary of the 6th upper Egypt universities plastic surgery departments annual meeting organized by Minia university in collaboration with ESPRS that has been held in Hurghada, Hilton hotel in the period from 23-25 November 2017.
 - Attended and actively participated in the first upper Egypt universities Neurosurgery departments annual meeting organized by Assiut university in collaboration with ESNS that has been held in Luxor Acthi resort in the period 13-15 December 2017.

- Attended and actively participated in a scientific day held by the esthetic academy of Egypt on the esthetic surgery of the ear that has been held in Pyramisa hotel – Dokki-Cairo on Friday 12th of January 2018.
- Attended and actively participated in the 48th annual meeting of the Egyptian society of plastic and reconstructive surgeons in the period from 28 February – 3 March 2018 that has been held in Steinburger hotel Luxor.
- Attended and actively participated in Kawamoto Craniomaxillofacial Symposium in the period from 30 April-2 May 2018 that has been held by the plastic surgery department in collaboration with the ESPRS in Luxor Jule ville hotel.
- Attended and actively participated in the 24th ICOMS 2018 that has been held in Munich - Germany in the period from 18-21/9/2018- Holiday inn and Gasteig hotel by two oral presentations .
- Attended and actively participated in the 10th^h international conference of EAOMS in the period 3-5 october 2018 – Conrad cairo hotel .
- President of the annual conference of plastic and reconstructive Minia surgery department that was held in Horus hotel on 18th October 2018 under the title (Velopharyngeal incompetence).
- Attended the advanced AOCMF seminar on (advances in craniofacial surgery) as a faculty national member that has

been held in Cairo on 16th NOVEMBER 2018 in Medical doctor training institute

- Attended and actively participated in the 7th upper Egypt universities congress for the plastic surgery departments that has been organized by Sohag university in collaboration with ESPRS that has been held in MOVENBICK hotel in GURGHADA ON 28-30 – November 2018.

* Paper titled (Clinical evaluation of midpore implants in orbital wall reconstruction) in the Egyptian journal of plastic and reconstructive surgery (7,2012).

PRESENTATIONS

- Presented a booster titled "the use of free radial forearm flap in the reconstruction of full thickness cheek defects " at the 13 th Alexandria International Dental Congress (November 2002).
- Presented a paper titled(fascial space infection of odontogenic origin in the 1st Territorial Dental Congress (April 2004)
- Presented three lectures about **oral cancer, Salivary disorders and maxillofacial trauma** to the dentists in Minia in three separate scientific meetings.
- Presented a paper titled (Brown tumours of hyperparathyroidism)in the 2nd International dental congress.
- Presented a paper titled(Advanced cheek cancer- Different reconstructive techniques) in the second Territorial dental congress(March2006).
- Presented a paper titled(Brown tumours of hyperparathyroidism- Experience with 15 cases) in the 4th annual scientific conference held at the faculty of medicine,El-Minia university(April2006)
- Presented a lecturer titled “ Surgical and radiological aspects of jaw swellings’ in the Head and Neck imaging refreshing course held in Minia Atown hotel as the first radiology conference (18-19 january 2007) .
- Presented a paper titled " Peri-oral defects – Reconstructive techniques) in Minia 3rd international dental congress(March

2007), and in the 5th Pan Arab association of oral and maxillofacial surgeons conference in collaboration with King Fahd hospital, Jeddah 11-14 February 2008.

- Presented a paper titled “ Sphincter pharyngoplasty and superiorly based pharyngeal flap- videonasopharyngoscopic evaluation and phoniatic outcome” in the 10th craniomaxillofacial and plastic surgery congress held in Alexandria (16-18 December - 2009).
- Presented a paper titled “Distraction osteogenesis as followed by CT scan in Piere robin sequence” in the 40th international annual conference of ESPRS held in Sharm El-Sheikh(16-19 February- 2010) by a paper titled.
- Presented a paper titled “ Sphincter pharyngoplasty and superiorly based pharyngeal flap- videonasopharyngoscopic evaluation and phoniatic outcome” in the 6th Pan Arab association of oral and maxillofacial surgeons conference held in Gedda (15-19 march 2010) in collaboration with King Fahd Hospital.
- Presented the same previous paper in the xx EACMFS (European association of craniomaxillofacial surgery) held in Belgium in the period from 14-17 September 2010.
- Presented a paper titled (Distraction osteogenesis as followed by CT scan in Piere robin sequence). in the first congress of the Egyptian society of the craniomaxillofacial surgery in collaboration with the ESPRS (2-12- 2010).

- Presented the same previous paper in the 2nd pan arab association of maxillofacial surgery held in Antalia-Turkia in the period from 25-29 May 2011 by .
- Presented a paper titled “Transmasseteric anteroparotid approach- Merits and demerits” in the 41st international annual conference of ESPRS held in Sharm El-Sheikh(27-30 October 2011).
- Presented a paper titled “Simultaneous three layer closure of the vestibulonasal fistula, cheloplasty and rhinoplasty in cleft lip nose deformity patients ” in the 11th winter school of craniomaxillofacial and plastic surgery held in Alexandria (7-8 December – 2011.) .
- Presented a paper titled " Advanced cheek cancer- Reconstructive techniques " in the 4th annual conference of the plastic surgery unit- El Minia university, held in El Minia in the period from 19-20-1-2012.
- Presented a paper titled(Sphincter pharyngoplasty and superiorly based pharyngeal flap- videonasopharyngoscopic evaluation and phoniatic outcome) in the 10th Sohag annual meeting (10&11-5-2012).
- Presented a paper in the 36th plastalex 2012 congress held in Palestine hotel-Alexandria in the period from 5-7/9/2012 titled “Simultaneous three layer closure of the vestibulonasal fistula, cheloplasty and rhinoplasty in cleft lip nose deformity patients ”

- Presented a paper in the 4th Minia dental congress held in Grand Aton hotel in the period from 26-28/9/2012 titled (Distraction osteogenesis as followed by CT scan in Piere robin sequence.
- Presented a paper titled(Clinical evaluation of vascularized tissue transfer for reconstruction of maxillary defects after tumour ablation) in the international hand and microsurgery congress MHMU & ESSHM 2012 held in Horus hotel El Minia in the period from 4-6/10-2012 .
- Presented a paper titled (Cleft lip and palate) in the Dental Student Scientific Association of Minia university held in Suzan Mubark hole on 10-12-2012.
- Presented a paper titled (Vascularized tissue transfer for maxillary reconstruction) in the first international upper Egypt congress on body contouring in collaboration with the ESPRS in the period from 12-14 December 2012 in Sonesta hotel-Hurghada.
- Presented a paper titled (Porous polyethylene(Medpor) for orbital roof and floor reconstruction-Clinical and radiological evaluation)I in the 43th annual meeting of the Egyptian society of plastic and reconstructive surgeons in collaboration with Turkish society of plastic reconstructive and aesthetic surgeons(TSPRAS) in the period from12-15 Feb 2013-Porto Sokhna hotel.

- Presented two oral papers in the 21st international congress of oral and maxillofacial surgery held in Barcelona in the period by from 21– 24/10/2013 - Jan Carlos hotel.The 1st one was " Porous polyethylene(Medpor) for orbital roof and floor reconstruction-Clinical and radiological evaluation"-The 2nd one was" Vascularized tissue transfer for maxillary reconstruction". The e-poster presented titled "Simultaneous three layer closure of the vestibulonasal fistula, cheiloplasty and rhinoplasty in cleft lip nose deformity patients "
- Presented a paper titled " Facial asymmetry- Role of simultaneous maxillomandibular distraction" in the second upper Egyptian congress of plastic surgery departments in collaboration with the ESPRS in the period from25-27/12/2013 that has been held in Grand Aton hotel –El Minia under the heading "Facial asymmetry".
- Presented a paper titled(Cranioplasty-successful use of rib graft) in the 44th annual meeting of the Egyptian society of plastic and reconstructive surgeons in the period from18-21 Feb 2014-Movenbick hotel- Hurghada
- Presented a paper titled "Simultaneous three layer closure of the vestibulonasal fistula, cheiloplasty and rhinoplasty in cleft lip nose deformity patients " in the 5th international dental congress in the period from 27-29 March 2014 that has been held in the faculty of dentistry-Minia university in collaboration with Sinai university.

- Presented a paper titled (Clinical evaluation of vascularised tissues transfer for reconstruction of maxillary defects after tumour ablation) in the 8th international conference of EAOMS in the period 24-26 September 2014-Grand Haiat hotel-Cairo-Egypt.
- Presented a paper titled(Simultaneous three layers closure of the vestibulonasal fistula, cheloplasty and rhinoplasty in cleft lip nose deformity patients) in the 3rd upper Egypt conference of plastic surgery departments (Cleft and craniofacial surgery) in collaboration with ESPRS in the period from 3-5 December 2014-Sonesta hotel- Hurghada.
- Presented a paper titled (High cervical versus miniretromandibular and preauricular anteroparotid transmasseteric approaches for condylar fractures) in the XX11 ICOMS(2015) that has been held in Melbourne – Australia (Convention exhibition center) in the period from 27 to 30 October 2015.
- Presented a paper titled (High cervical versus miniretromandibular and preauricular anteroparotid transmasseteric approaches for condylar fractures in the 12th winter school of craniomaxillofacial and plastic surgery that has been held in Alexandria convention center in the period from 4-6 November 2015.
- Presented a paper titled (Brown tumours of hyperparathyroidism,experience with 15 cases) in Sohag

- annual international conference of surgery,laparo-endoscopy and oncology that has been held in Sohag general surgery department in the period from 18-19 November 2015.
- Presented a paper titled (Perioral defects – Reconstructive techniques) in the first congress of the Egyptian association of maxillofacial and head and neck surgery that has been held in Assiut university in the period from in the period from 7-8 April2016.
 - Actively participated in in the scient global conference on dental and oral health that has been held in Dubai in Crown Plaza hotel in the period from 22-24 August 2016 by two papers, the first one titled (Perioral defects-Reconstructive techniques) and the second one titled (Transmasseteric approaches for condylar fracture repair).
 - Presented a paper titled(Sphincter pharyngoplasty and superiorly based pharyngeal flap – Videonasoscopic evaluation and phoniatic outcome)in the 9th international conference of the egyptian association of oral and maxillofacial surgery in collaboration with the 5th international conference of the Pan african association of oral and maxillofacial surgery that has been held in Grand Nile hotel – Cairo in the period from5-7 October 2016.
 - Presented a paper titled (High cervical versus miniretromandibular and preauricular anteroparotid transmasseteric approaches for condylar fractures) in the 5th

upper Egypt universities annual meeting organized by Plastic surgery department Beni Suef university in collaboration with ESPRS in the period from 23-26 November 2016 in Desert Rose Hotel-Hurghada-Egypt.

- Attended and actively participated in the 47th annual meeting of the Egyptian society of plastic and reconstructive surgeons in the period from 28 February – 3 March 2017 that has been held in JW Marriot hotel-Cairo by an orally presented paper titled (Cranioplasty – successful use of rib grafts).
- Attended and actively participated in Alexandria Sialendoscopy workshop (Lectures+ Hands on) that has been held in the period from 23-25 March 2017 in the faculty of medicine convention center by an orally presented paper titled (Epithelial salivary neoplasms).
