

## CURRICULUM VITAE

**Name:** Prof. Dr. Kamal Mohamed Ali El-Shaieb

**Academic rank:** Professor of Organic Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

**Date of Birth:** 13-06-1970.

**Place of Birth:** Beni-Mazar, El-Minia, Egypt.

**Nationality:** Egyptian.

**Marital Status:** Married (has two children)

**Home Address:** A. R. Egypt, El-Minia, Beni-Mazar.

**Home phone:** 086-3783424 & **mobile:** 01022487995

**Fax:** +2-086-2342601

**E-mail:** [kmelshaieb@yahoo.com](mailto:kmelshaieb@yahoo.com), kamal.mohamed@mu.edu.eg

**Work Address:** Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

**Major:** Chemistry, **Special:** (Organic Chemistry)

### EMPLOYMENT HISTORY

**From:** Oct. 1992 **To:** Oct. 1996: Demonstrator in Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

**From:** Nov. 1996 **To:** Jan. 1998: Assistant Lecturer in Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

**From:** February 1998 **To:** April 2000 Scholarship (Channel System) in institute of Organic Chemistry, Braunschweig University, Braunschweig, Germany.

**From:** Jan. 2001 **To:** October 2003: Lecturer of organic chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia Egypt.

**From:** Nov. 2003 **To:** August 2004: Lecturer of organic chemistry, Faculty of education, Libya.

**From:** Sept. 2004 **To:** April 2006: Lecturer of organic chemistry, Chemistry Department, Faculty

of Science, Minia University, El-Minia Egypt.

**From:** Mai 2006 **To:** Sept. 2008: Associate Prof. of organic chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia Egypt.

**From:** Oct. 2008 **To:** April 2009: Post-Doctoral Fellowship, Institute of Organic chemistry, Braunschweig University, Braunschweig, Germany.

**From:** April 2009 **To:** May 2011: Associate Professor of organic chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

**From:** May 2011 **To:** October 2012: Prof. of organic chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

**From:** November 2012 **To:** December 2012: Post Doctoral DFG-Fellowship Institute of Organic chemistry, Braunschweig University, Braunschweig, Germany.

**From:** Jan. 2013 **To:** Now I am a Prof. of organic chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.

- I attended a workshop in methods of teaching 1995.

- I attended twelve workshops in FLDP program.

- I have shared in the supervision of 11 M.Sc. and three Ph.D theses.

- I have published 60 articles in different international organic chemistry journals.

- ***h-Index* = 12**

- I have been selected as a referee in the following Chemistry Journals:

1- Phosphorus, Sulfur, Silicon and Related elements.

2- Green Chemistry Letter.

3- Current Organic Chemistry

4- J. Sulfur Chemistry

5- Journal of Heterocyclic Chemistry

6- Letters in Drug Design & Discovery

### **University Courses Taught By Applicant**

Chemistry of heterocyclic compounds, carbohydrates & Lipids, Photochemistry and Pericyclic reactions, Petroleum and Petrochemicals, Natural Products, Aliphatic Chemistry, Aromatic Chemistry, Polynuclear hydrocarbons and their derivatives, Stereochemistry, Reaction Mechanisms, Alicyclic Chemistry, as well as Analytical Chemistry.
