

Sherif Shoukry Awad, MD, PhD.

1. Personal Information

1. Address : Cairo; Rihab City, 83-1 , flat number 2, New Cairo, Egypt.
Minia; 8, Abdel –Menam Garby Square, 61111, Egypt.
2. Home Phone : Cairo; +20-2-6070136 Minia; +20-86-2345334,
3. Clinic Phone : +20-2-22900732
4. Mobile Phone : +20-127340233
5. E-mail : sherifu@rocketmail.com
6. Place of Birth : Cairo
7. Citizenship : Egyptian.

2. Present Academic Rank and Position

Associate Professor of Dermatology, Andrology & STDs, Faculty of Medicine, Minia University, EGYPT.

3. Certification(s)

- **MB, BCh:** Bachelor degree in Medicine and Surgery [*Very Good, with honor degree, Minia University, Minia, Egypt, 1989*].
- **Master degree: (MSc)** Master degree in Dermatology, Andrology & STDs [*Excellent, Minia University, minia, Egypt, 1994*].
- **Doctor Degree: (PhD):** Doctor of Philosophy in Medical Science [*Major in Dermatology & ImmunoDermatology, Tokyo Medical and Dental University, Tokyo, Japan, 2002*].
- **Doctor Degree: (MD)** Doctor degree in Dermatology, Andrology & STDs [*Faculty of Medicine, Minia University, Minia, Egypt, 2004*].

4. Education

- Faculty of Medicine, Minia University, **Minia, Egypt** [1983-1989].
- House Officer, *Minia University Hospital, Minia, Egypt* [1990-91]
- Resident Doctor, Dermatology, Andrology & STDs Dept. *Minia University, Minia, Egypt* [1991-1993]
- Clinical Dermatology and Plastic Surgery fellow, *Tokyo Medical and Dental University, Tokyo, Japan* [1997-1998]
- PhD research fellowship Dermatology & ImmunoDermatology , *Tokyo Medical and Dental University, Tokyo, Japan* [1998-2002]

5. Post-graduate Professional Courses and Thesis:

- Dermabrasion in treatment of some Dermatologic disorders, Master Course Thesis; *Minia University, Minia, Egypt, 1994*.
- Management of Erectile dysfunction, Training Course, **Cairo, Egypt, 1996**.
- Histopathology of the Skin, Training Course, **Cairo, Egypt, 1996**.
- Lasers in Dermatology, Training Course, **Cairo, Egypt, 1997**.
- Autologus Grafting in treatment of Leukoderma, Doctor Course Thesis; *Minia University, Minia, Egypt, 2002*.

- Gene Transcription and Cytokine Production in Keratinocytes in response to Glucocorticoids; Doctor Course Thesis; *Tokyo Medical and Dental University, Tokyo, Japan, 2002.*
- Dermatologic surgery, Training Course; *Paris, France, 2002.*
- Cryosurgery training course, *Minia, Egypt, 2009.*
- Botox training course, *Minia, Egypt, 2009.*

6. Medical Licensure

Physician license, Egyptian Medical Syndicate 1991.

Dermatology specialist, Egyptian Medical Syndicate 1995.

Consultant of Dermatology & Venereology, Egyptian Medical Syndicate 2004.

7. Previous /current Professional Positions and Appointments

- Assistant Lecturer of Dermatology, Andrology & STDs, Faculty of Medicine, Minia University, *Minia, Egypt [1994-2003].*
- Dermatology Specialist, *Rai Saleh Private Hospital Samalout, Minia, Egypt [1996-1997]*
- Dermatology & STDs Private Clinic, *Samalout, Minia, Egypt [1994- 2007]*
- Dermatology Consultant, *Mar-Morcos Private Hospital , Shubra, Cairo, Egypt [2003-2007]*
- Dermatology Specialist, Heliopolis polyclinic, *Heliopolis, Cairo, Egypt [2005-2008]*
- *Laser & Dermatology Center & Clinic , Minia, Egypt [2005-2009]*
- Lecturer of Dermatology, Andrology & STDs, Faculty of Medicine, Minia University, *Minia, Egypt [2003-2009].*

8. Professional Memberships and Societies

- SID International Society of Investigative Dermatology.
- IPTA International Phototherapy Association Committee member.
- WSLMS.... World Society of Laser Medicine and Surgery Executive member.
- Laser Therapy Journal Editor.
- EADVEuropean Academy of Dermatology & Venereology.
- ESDV Egyptian Society of Dermatology and Venereology.
- EMS Egyptian Medical Syndicate.

9. Educational Activities

A- Courses Prepared and Developed:

- Faculty of Medicine, Minia University 2004
Hair Problems & Collagen diseases course in Dermatology & Venereology for the 6th grade students
- Faculty of Nursing, Minia University 2006-2009
Dermatology & Venereology course for the 2nd grade students.

B- Teaching activities:

- Faculty of Medicine, Minia University 2004-2012
Hair Problems & Collagen diseases Lectures in Dermatology & Venereology for the 5th and 6th grade students
- Faculty of Medicine, Minia University 2002-2009
Clinical Dermatology sessions for the 6th grade students

- Faculty of Nursing, Minia University 2006-2009
Dermatology & Venereology lectures for the 2nd grade students.
- Faculty of Medicine, Minia University 2003-2012
Dermatology & Venereology Lectures for Post-Graduate students (Diploma, Master & PhD Students)

C- Mentorship

- Maha Husein, MB, BCh 2005- 2007
Dermatology & Venereology Resident, Minia University Hospital.
Hair changes in vitiligo versus hair graying, Master thesis.
- Ghada Ishak, MB, BCh 2007- 2009
Dermatology & Venereology post-graduate student, Minia University Hospital. Master Thesis.
Apoptotic Markers in skin malignancies
- Siham Yacoub, MB, BCh 2007-2009
Dermatology & Venereology post-graduate student, Minia University Hospital. Master Thesis.
PUVA versus Narrow-band UVB in the management of vitiligo
- Ingy Soliman, MB, BCh 2009- 2012
Dermatology & Venereology post-graduate student, Minia University Hospital. Master Thesis.
A clinical and Histopathologic study on Alopecia Areata
- Hana Yacoub, MB, BCh 2010-2012
Dermatology & Venereology post-graduate student, Minia University Hospital. Master Thesis.
Skin Needling in Dermatology
- Irene Sadek, MB, BCh 2010-2012
Dermatology & Venereology post-graduate

student, Minia University Hospital. Master Thesis.
Fas and FasL Apoptotic Markers in Vitiligo

● Mushira Mohamed, MB, BCh 2012
Dermatology & Venereology post-graduate
student, Minia University Hospital. Master Thesis.
Cicatricial Alopecia, immuno-pathological study

● Christein Lotfy, MB, BCh 2012-
Dermatology & Venereology post-graduate
student, Minia University Hospital. Master Thesis.
Keratin expression in Vitiligo

10. Presentations at National and International Meetings

- Dermabrasion in Brunette...*2nd International Egyptian Conference on Dermatologic Surgeries, Cairo, Egypt, 1996.*
- Dermabrasion Workshop. *3rd Clinical meeting of Dermatology Dept. Minia University, Minia, Egypt, 1997.*
- Glucocorticoids stimulate production of IL1-alpha and IL-6 in Pam-cell-line Keratinocytes. *A poster presentation in the 29th Japanese society of Immunology, Kobe, Japan, 1999.*
- Glucocorticoids induced production and gene expression of IL1-alpha through activation of AP-1 and partially NF-kB in Murine Keratinocytes. *A poster presentation in the European Society of Dermatologic Research (ESDR) meeting, Stockholm, Sweden, 2001. (Nominated for best poster prize)*
- Glucocorticoids augmentation of cytokine production in Keratinocytes, *All Tokyo Dermatologists Research Conference, Tokyo, Japan, 2002.*
- Steroids, Workshop, *World Congress of Dermatology, Paris, France, 2002.*
- Halo Nevus; a cosmetic problem. *In Cosmoderm IV International conference with ESCAD & AFRAD. Cairo, Egypt, 2004.*
- El-Menia Elephant man; *4th International Minia conference of Dermatology, April 2005.*
- Epithelial Grafts in Vitiligo. *In 21st ESDV annual Conference. Cairo, Egypt, 2005.*
- Nail Punch Biopsy; a useful tool in managing dysmorphic nail problems. *ISLSM conference Tokyo Keio Plaza 2005.*
- **Epithelial Grafts in Vitiligo.** *ISLSM conference Tokyo Keio Plaza 2005.*
- **Elephant Man Developing Malignant Fibrous Histiocytoma,** *ESDV 22nd meeting, Cairo, January 2006..*
- Phototherapy is required in surgically treated vitiligo. *1st IPTA conference Japan Suwa city, September 2006.*
- *Phototherapy, A Mandate in Surgically Treated Vitiligo, CairoDerm 2nd international conference. Cairo, October 2006.*

- *Elephant-Man Developing Malignant Fibrous Histiocytoma, Poster presentation*, EADV Meeting of European Academy Of Dermatology & Venereology, **Vienna, Austria**, May, 2007.
- Epithelial grafting for vitiligo requires ultraviolet A phototherapy to guarantee success. EADV Meeting of European Academy Of Dermatology & Venereology, **Vienna, Austria**, May, 2007.
- Patterns of histopathological changes in vitiligo, Pigment cell researches meeting, **Rome, Italy**, 2007
- Simple method for epithelial grafting in vitiligo. Mediterranean society Of Dermatology & Venereology, Cairoderma 3, **Cairo, Egypt**, May, 2008.
- The hair follicle melanocytes in vitiligo in relation to disease duration. **Winner of Al-Fawzan Award**. Sharm Derma 2009, **Egypt**.
- Linear Neutrophilic Dermatitis, European Academy of Dermatology and Venereology Conference, **Lisbon. Portugal**, 2011.
- PUVA versus NB-UVB in management of Vitiligo. Poster. EADV Meeting of European Academy Of Dermatology & Venereology, **Lisbon, Portugal**, 2011.
- Vitiligo and UVL management , a clinicopathological study. CairoDerma V meeting, **Cairo, Intercontinental Hotel, Egypt**, April, 2012.
- Chinese Cupping, A Simple method to obtain epithelia grafting for vitiligo. Poster. EADV Meeting of European Academy Of Dermatology & Venereology, **Prague, Czech Republic**, September, 2012.
- New Epidermal and Dermal Findings in vitiligo after ultraviolet therapy. JSID Meeting of Japanese Society of Investigative Dermatology, **Okinawa, Japan**, December, 2012.

11. Clinical Practice Interests and Accomplishments

- Dermabrasion in management of several skin problems..... (1992-2009).
- Vitiligo treatment by surgical grafting techniques..... (1995-2009).
- Lasers in Dermatology, including experience with ND-YAG, CO2, Erbium..... (1995-2007).
- IPL, Intensive Pulsed Light, in treatment of several skin and cosmetic problems... (2004-2009).

12. Research Activities

Vitiligo & Light therapy are main targets in the present research work and some new papers are being in the process of submission.

13. Publications

- Dermabrasion. *J Pan Arab league of Dermatology*, 6:87, 1995.
- Vitiligo treatment by split thickness Grafting. *J Pan Arab league of Dermatology*, 1997.
- Glucocorticoids Augment Chemically Induced Production and Gene Expression of IL-1alpha through NF-kB and AP-1 Activation in Murine Epidermal Cells. *Journal of investigative Dermatology (JID)*, 115: 746-752, 2000.

- Glucocorticoids induced the production and gene expression of IL-1alpha through AP-1 and partially NF-kB activation in murine epidermal cells, *Journal of Medical and Dental Science*, 49: 27-35, 2002.
- In vivo transfection of a cis element 'decoy' against signal transducers and activators of transcription 6 (STAT6)-binding site ameliorates IgE-mediated late-phase reaction in an atopic dermatitis mouse model. *Gene Therapy*. Aug 12, 2004.
- **Nail Punch-Biopsy, A Valuable Tool For Management of Acquired Dysmorphic Nails** ; Sherif S. Awad, Hamza Abdel-Raouf Dermatology & Venereology Department, Faculty of Medicine, Minia University, EGYPT, abstract, 日本レーザー医学会誌, 26(2) : 153, 2005.
- **Epithelial grafts In vitiligo** Sherif S. Awad, Mohamed H. El-Tonsy, Moetaz M. El-Domyati, Tag El-Din E. Anbar, Fatma Y. Saleh. Dermatology & Venereology Department, Faculty of Medicine, Minia University, EGYPT. Abstract, 日本レーザー医学会誌, 26(2) : 152, 2005.
- **Combined long pulse ND:YAG/KTP laser with controlled selective cooling in dermatology**, Mohamed H. El-Tonsy, Wael H. El-Din, Sherif S. Awad, Hamza A. Abdel-Raouf, Riham N. Ishak, Abstract, 日本レーザー医学会誌, 26(2) : 154, 2005.

- **Phototherapy, a Mandate in Surgically Treated Vitiligo** , *Jouranal of Laser therapy* , Abstract, program of the 1st IPTA meeting, 2006.
- **UVA Phototherapy is required after Epithelial grafts in vitiligo to increase success rate.** *Journal of Cosmetic Dermatology JCD* . Awad SS, Abdel-Raouf H, Hosam El-Din W, et al. *J Cosmet Dermatol*. 2007; 6(2):119-24.
- **Low level IPL therapy for the management of recalcitrant post herpetic neuralgia.** *Journal of Laser Therapy*, May, 2008.
- **Chinese cupping, a simple method to obtain epithelial grafts for the management of localized recalcitrant vitiligo.** *Journal of Dermatologic surgery*. *Dermatol Surg* 2008;34:1–8.
- **The hair follicle melanocytes in vitiligo in relation to disease duration.** Anbar TS, Abdel-Raouf H, Awad SS, Ragaie MH, Abdel-Rahman AT. *J Eur Acad Dermatol Venereol*. 2009 Aug;23(8):934-9.
- **Presence of eosinophils in the inflammatory infiltrate of nonsegmental vitiligo: a retrospective study.** Anbar TS, Abdel-Raouf H, Awad SS, Ragaie NH, Abdel-Rahman AT. *Clin Exp Dermatol*. 2009 Oct;34(7):e496-7.
- **Loose anagen hair syndrome in children of Upper Egypt.** Abdel-Raouf H, El-Din WH, Awad SS, Esmat A, Al-Khiat M, Abdel-Wahab H, Fakahani H, Al-Domyati M, El-Din Anber T, El-Tonsy MH.

J Cosmet Dermatol. 2009 Jun;8(2):103-7.

- **Perifollicular inflammatory infiltrate in vitiligo.**
Anbar Tel-D, Abdel-Raouf H, **Awad SS**, Ragaie MH.
Int J Dermatol. 2011 Feb;50(2):234-7.
- **Leflunomide is a possible deactivator for vitiligo, a pilot study.**
Awad SS.
J Eur Acad Dermatol Venereol. 2012 Oct.
- **Dermabrasion may repigment vitiligo through activation of melanocyte precursors and elimination of hyperkeratosis. Journal of Cosmetic Dermatology, Published on line. JCD 2012/10/10**
- **Repigmentation of poliosis after epithelial grafting for vitiligo. Accepted for publication . Journal of Dermatologic Surgery. JDS 2012.**

14. International / National Conference Participation:

- Zagazig International conference on Dermatology , *Cairo, Egypt, 1992.*
- ESDV dermatology annual meeting , *Cairo, Egypt , 1993.*
- ESDV dermatology annual meeting , *Cairo, Egypt , 1995.*
- International conference of Egyptian women doctors , *Cairo, Egypt, 1996.*
- ESDV dermatology annual meeting , *Cairo, Egypt , 1997.*
- Tokyo Medical and Dental University, Dermatology Conference, *Tokyo, Japan , 1997.*
- Tokyo Medical and Dental University, Dermatology Conference, *Tokyo, Japan, 1998.*
- The 62nd Annual Meeting of the East-Japan Dermatology Society, *Hamamatsu, Japan, 1998.*
- Tokyo Medical and Dental University, Dermatology Conference, *Tokyo, Japan, 1999.*
- Japanese society of Immunology , annual meeting in *Sendai, Japan, 2000.*
- Japanese society of Immunology , annual meeting in *Osaka, Japan, 2001.*
- Society of Investigative Dermatology, annual meeting, *Washington DC, USA, 2001.*
- Gene Therapy symposium, *Uppsala, Sweden, 2001.*
- European Society of Dermatologic Research (ESDR), annual meeting, *Stockholm, Sweden, 2001.*
- Greater Tokyo Dermatologists meeting, *Tokyo, Japan, 2002.*
- World Congress of Dermatology, *Paris, France, 2002.*
- *Minia International conference of Dermatology & Venereology, Minia, Egypt, 2005.*
- *Meeting of International society of Laser in surgery & Medicine (ISLSM), Tokyo, Japan , 2005.*

- *Meeting of International Phototherapy Association (IPTA), Suwa city, Japan, 2006.*
- *CairoDerma 2nd International conference, Cairo, Egypt, 2006.*
- *EADV Meeting of European Academy Of Dermatology & Venereology, Vienna, Austria, May, 2007.*
- *Mediterranean meeting of Dermatology & Venereology, CairoDerma 3, Cairo Egypt, may 2008.*
- *19th Congress of the Egyptian Society of Andrology, Ain Sokhna, Egypt, Dec. 2008.*
- *Meeting with Experts. International Vitiligo Symposium of Minia University. Novotel, Cairo, Egypt, 2009.*

15. Hobbies & Social activities:

- *Regional Director, the Y's Men International , Africa North-West, 2009-2011.*
- *Area Service Director, the Y's Men International, Area Africa, 2006-2008.*
- *YMCA Board member , Minia, Egypt, 2003-2007.*
- *Y'sMen Minia Club President, Egypt, 2006-2007.*
- *Basket-ball University team & First rank referee in Egyptian federation.*
- *Bronze Medal holder of All-Egypt Billiard championship 1989.*
- *ISA president of International Student Association, Tokyo, Japan, 2000-2002.*
- *Also lover of Classical Music and Tennis.*

16. Spoken languages:

- *English ...(Fluent)*
- *Japanese ..(Good)*
- *French(Fair)*
- *Arabic(Mother tongue)*

17. Professional Mentors/ Reference:

- *El-Domyati, Moetaz, MD, Chairman and professor of Dermatology & Venereology, Faculty of Medicine, Minia University, Tel; +20-123121132, Minia, Egypt.*
- *Nishioka, Kiyoshi, MD, PhD, Ex-Head of Tokyo Medical and Dental University Hospital, and Professor of Dermatology, Tokyo Medical and Dental University, 1-5-45 Yushima, Bunkyo-Ku, Tokyo, Japan.*
- *El-Tonsy, Mohamed Hany MD, Ex-Dean of faculty of Medicine and Professor of Dermatology & Venereology, Minia University, President of ESDV, 5 Thawra Square, Dokki, Giza, Egypt.*
- *Yokozeki Hiro, MD, PhD, Professor & Chairman of Dermatology dept., Tokyo Medical and Dental University, 1-5-45 Yushima, Bunkyo-Ku, Tokyo, Japan.*
