	مشترك		Late Proterozoic older granitoids from the North Eastern desert of Egypt: petrogenesis and geodynamic implications
	مشترك		Petrology, geochemistry and origin of lamprophyre dykes in the Eastern Desert of Egypt
	مشترك		Origin of I- and A-type granitoids from the Eastern Desert of Egypt: Implication for crustal growth in the northern Arabian-Nubian Shield
	مشترك		Contribution to the petrology and geochemistry of some late Proterozoic younger granitoids, Eastern Desert, Egypt
	مشترك		Calc-alkaline Plutonism in the north Eastern Desert of Egypt: Petrogenesis of fractionated and Unfractionated granitoids
	مشترك		Highly fractionated Calc-alkaline plutonism in the north Eastern Desert of Egypt: Atransitional from compressional to tensional tectonic Regime.
	مشترك		Dokhan volcanics and younger granites from El-Naqab area, Southeastern Sinai, Egypt. Mineralogy, geochemistry and genetic relationships.
	مشترك		Mineral chemistry as a guide to magmatic evolution of intrusive gabbros, central Eastern Desert, Egypt.
	مشترك		Petrology and geochemistry of the felsic and mafic intrusive rocks at Wadi Umm Esh El-Zarga area, central Eastern Desert, Egypt
	مشترك		Pressure, temperature and oxygen fugacity conditions of calc-alkaline granitoids, Eastern Desert of Egypt, and tectonic implications.
	مشترك		Mineral Chemistry as a guide to magmatic evolution of I-and A-type granitoids, Eastern desert, Egypt.
	مشترك		Geochemistry and petrogenesis of some Younger Gabbros from the Egyptian Shield.
	مشترك		Chemical characteristics of Some I- and A-type granitoids from Eastern Desert: Petrogenetic and geotectonic implications.
	منفرد		Petrology of the Late-Precambrian Dokhan volcanics in Gabal Magal El-Rashaydah–Fatera El-Zarga belt, North Eastern Desert, Egypt
	منفرد		The late Pan-African dyke magmatism north Safaga area, Eastern Desert, Egypt. Egypt
	مشترك		Petrology, Geochemistry and Tectonic Evolution of some Pan-African Granitoid rocks, North Eastern Desert, Egypt
	مشترك		Petrology and Geochemistry of some granitoid rocks hosting gold bearing quartz veins in the Eastern Desert of Egypt.
	مشترك		Geochemistry of REE and other trace elements of some ophiolitic rocks distributed in the Egyptian Shield
	مشترك		Petrology and geochemistry of Late-Precambrian granitoid rocks of Abu Idam area, North Eastern Desert, Egypt.

مشترك	Petrology of the Island arc younger metavolcanics association exposed at Gabal Umm Anab and Wadi El-Ghuzah, North Eastern Desert, Egypt.
مشترك	Petrology of the Dokhan volcanic rocks in Wadi Mellaha area, North Eastern Desert, Egypt.
مشترك	Petrology of the post-granite dyke swarms of Esh El-Mellaha Range, North Eastern Desert, Egypt
مشترك	Pan-African magmatism: Geochemistry and petrogenesis of A-type granites of Gabal umm Samyuk and Gabal Rowayshed, North Eastern Desert, Egypt. 5th Intern. Conf. On Geochemistry
مشترك	Petrology and geochemistry of some younger and Aswan granitoids, Eastern Desert, Egypt.
مشترك	Petrology, geochemistry and geochronology of Abu Ziran and Wadi Shait older granitoids, Eastern Desert, Egypt
مشترك	A model for granitoids evolution and source compositions of the Abu Bedun pluton, North Eastern Desert, Egypt
مشترك	Petrology and geochemistry of some metamorphic rocks of the Meatiq area Central Eastern Desert, Egypt.
مشترك	Mineralogy and Petrology of some Granitic Rocks from the Eastern Desert of Egypt.
مشترك	Petrology and Geochemistry of the Igneous Rocks of Gabal Abu Abid area, North Eastern Desert, Egypt
مشترك	Geochemical studies on the Late-Precambrian dykes of Central Sinai.
مشترك	Geochemistry of Umm Anab Complex – A Precambrian trondhjemitic body from the North Eastern Desert, Egypt.
مشترك	A petrogenetic model of Late Pan-African dyke magmatism, west Gharib area, North Eastern Desert, Egypt
مشترك	A petrogenetic model for the origin of I-and A-type granitoids around Wadi Abu Had area, North Eastern Desert, Egypt
منفرد	Petrology, geochemistry and petrogenesis of some post granite dykes, Umm Anab area, North Eastern Desert, Egypt.
مشترك	Petrology, geochemistry and petrogenesis of some granitoid rocks from the Northern and Central Eastern Desert, Egypt.
مشترك	Geochemistry and petrogenesis of the granitoid rocks of Gabal Abu Murrat area, North Eastern Desert, Egypt
منفرد	Microprobe analysis of Alkali feldspar and hornblende as a guide to petrogenesis of Aswan monumental granitoids, Egypt
مشترك	Petrology, geochemistry and petrogenesis of some Post-Hammamat felsite of Gabal Atalla and Wadi Igla, Eastern Desert, Egypt
مشترك	Geological investigation of the Umm Gidri younger granite complex, North Eastern Desert, Egypt.
مشترك	Biotite from granitic rocks of Umm Gidri complex, Eastern Desert, Egypt.
مشترك	Geological fractural and petrographical investigation in Umm Gidri area North

				Eastern Desert, Egypt.
