April 2011 - April 2012	Observership at Sibley Memorial Hospital Washington D.C., USA
March 2004 – February 2007	Urology Resident Minia University Hospital, Minia, Egypt
March 2002 – March 2003	Internship Minia University Hospital, Minia, Egypt

ACADEMIC

2015 – present	Assistant professor in Urology, Minia University, Egypt
2013- 2015	Lecturer of Urology
2007 – 2012	Assistant Lecturer Urology Department, Faculty of Medicine Minia University, Minia, Egypt

CLINICAL SKILLS AND EXPERIENCE

SURGERY

- Bladder cancer, neo bladder and ileal conduit
- Robotic surgery (prostatectomy, cystectomy, partial nephrectomy)
- Radical nephrectomy, cystectomy
- Adrenalectomy
- Laparoscopic procedures (RALPN, radical prostatectomy, live donor nephrectomy, pyeloplasty)
- Ureteroscopy
- TURBT, TURP, Flexible ureteroscopy
- Insertion of penile implant
- Hypospadias repair
- Management of different urinary tract stones

CLINICAL

- Evaluation/management of uro-oncology cases
- Multiple types of uro-oncology procedures
- Endourology procedures and techniques (cystoscopy, ureteroscopy, PCNL)
- Urinary tract oncology - special focus on cystectomy and post cystectomy urinary diversion.

Area of interest

Oncology/ Endo urology

RESEARCH

PUBLICATIONS

Ahmed Ali, Ehab R Tawfik (2016). Trans Urethral Pneumatic Cystolithotripsy: A novel approach. Journal of Endo Urology (Under publication).

Ali, A., Swain, S., & Manoharan, M. (2014). - Pelvic lipomatosis: Bladder sparing extirpation of pelvic mass to relieve bladder storage dysfunction symptoms and pelvic pain – A case report. Central European Journal of Urology, 67(3), 287-288. DOI: 10.5173/ceju.2014.03.art15

Aferdo Harb-Delarosa, Ahmed Ali, Swain, S. & Manoharan, M. (2015). -Resolution of hypercalcemia of malignancy following radical cystectomy in a patient with paraneoplastic syndrome associated with urothelial carcinoma of the bladder. _ Urol Ann 2015 Jan-Mar;7(1):86-7. doi: 10.4103/0974-7796.148627.

ABSTRACTS ACCEPTED

2014, Society of International Urology:

- Radical Cystectomy following Radiation Therapy for Prostate Cancer: The Likelihood of Residual Prostate Cancer
- Converting an Orthotopic Urinary Diversion to an Ileal Conduit: Technical Considerations and Challenges.
- Suprapubic Tube Placement after Orthotopic Urinary Diversion: Is It Mandatory?
- Risk Factors and Implications of Parastomal Hernia in Patients Undergoing Radical Cystectomy and Ileal Conduit.

2013, South Eastern Section, American Urological Association annual meeting:

- Role of concomitant ipsilateral adrenalectomy in patient with renal cell carcinoma and normal preoperative adrenal imaging

DOCTORATE

2013 “Laparoscopic Management of Upper Urinary Tract Pathology”

THESIS

2007 “Extracorporeal Shock Wave Lithotripsy in Treatment of Upper Ureteral Calculi”

CONFERENCES

2016	Egyptian Urological association annual meeting
2015	American Urological association annual meeting
2014	American Urological Association annual meeting
2012	Workshop of Laparoscopy in Different Urological Procedures, Egyptian Urological Association, Ahmed Maher Hospital, Cairo, Egypt
2010	Bipolar TURP conference, Urology Department, Minia University, Egypt
2010	TURP Workshop, Egyptian Urological Association
2010	International Video Urology Workshop, Marsa Alam, Egypt
2010	Laparoscopy in Urological Practice Workshop, Ghonaim Medical Centre, El Mansoura University, Mansoura, Egypt
2009	Shock Wave Lithotripsy in Urological Practice, Annual Conference, Faculty of Medicine, Minia University, Minia, Egypt

PROFESSIONAL ORGANIZATIONS

Egyptian Urological Association
American Urological Association
