

Minia University
COLLEGE OF MEDICINE
CURRICULUM VITAE

Osama Galal Abdel-Naby Awad, M.D.

Date of Preparation: 1/1/2020

I. Personal Data:

Name: Osama Galal Abdel-Naby Awad

Date of Birth: 7/11/1975

Place of Birth: Minia - Egypt

Address: Taha Elsaba square- Minia, Egypt.

Email: omarsmsm2014@yahoo.com

Phone numbers: home : 002-0862373704

Cell phone: 002-01115032992

Marital status: Married with 2 children.

Religion: Moslem.

Nationality: Egyptian

II. Certification and Post Graduate Education (Attached Certificates):

- 1999, M.B.Ch, Faculty of Medicine, Minia University, Egypt.
- 2004, Master Degree (M.Sc.) in Otolaryngology- Head and Neck Surgery, Faculty of Medicine, Minia University, Egypt.
- 2006-2008, Fellowship of Rhinology, Carver College of Medicine, University of Iowa, USA.
- 2009, Doctorate Degree in Otolaryngology- Head and Neck Surgery, Faculty of Medicine, Minia University, Egypt.

III. Academic Appointments:

- 2000-2001, House Officer, Department of Otolaryngology, Minia University Hospital, Egypt.
- 2001-2004, Resident, Department of Otolaryngology, Minia University Hospital, Egypt.
- 2004-2006, Assistant Lecturer, Department of Otolaryngology, Faculty of Medicine and Minia University Hospital, Egypt.

- 2006-2008, Fellow, Rhinology Division, Department of Otolaryngology-Head and Neck Surgery, University of Iowa College of Medicine, Iowa City, USA.
- 2009- present, Lecturer, Department of Otolaryngology, Faculty of Medicine and Minia University Hospital, Egypt.

IV. Professional Affiliations:

- 2002-present, Member of Egyptian Society of Otolaryngology-Head and Neck Surgery.
- 2006-present, Member of American Academy of Otolaryngology-Head and Neck Surgery.

V. Areas of Research Interest:

- Endoscopic Sinus Surgery.
- Skull base Surgery.
- Management of united airway disease.
- Surgery In patients with nasal polyposis.

VI. Current Projects:

- Effect of endoscopic sinus surgery in Samter's triad patients.

- Optimal management of Middle ear effusion.
- Effect of nasal surgery on middle ear pressure.
- Nasal septal surgery versus endoscopic sinus surgery in improvement of sinonasal symptoms.
- Cancer larynx epidemiology, risk factors and management in Upper Egypt.
- Pediatric tympanoplasty.

- **VII. Teaching Activities:**

A. Classroom, Seminar, Teaching Laboratory:

- 2004- present:- Teaching the Otolaryngology curriculum for Medical students, Minia University, Egypt.
- Participating in Grand Rounds, Journal Clubs hold at Otolaryngology Department, Minia University, Egypt.
- 2006-2008 : Demonstrator for Medical students in their Otolaryngology rotations, Department of Otolaryngology- Head and Neck Surgery, University of Iowa College of Medicine, Iowa City, USA.

B. Clinical Teaching:

- **2004-present:**
 - Clinical demonstrator for Medical Students, Minia University, Egypt.
 - Clinical demonstrator in Operating Rooms for Otolaryngology residents, Minia University hospitals, Egypt.

□ **2006-2008:**

Clinical demonstrator for Medical students in their

Otolaryngology rotations, Department of Otolaryngology-Head and Neck Surgery, University of Iowa College of Medicine, Iowa City, USA.

VIII. Scientific Activities:

A. Courses Attended (Attached Certificates of attendance):

- **Rhinoplasty Course, on the occasion of 10th Annual conference on the diseases of the nose and paranasal sinuses, March 26th, 2004, Cairo, Egypt.**
- **Iowa Advanced concepts in Endoscopic Sinus Surgery Course, June 9th and 10th, 2006 ,**
Department of Otolaryngology-Head and Neck Surgery, University of Iowa College of Medicine, Iowa City, USA.
- **Functional Endoscopic Sinus Surgery course, June 8th and 9th, 2007.** Department of Otolaryngology-Head and Neck Surgery, University of Iowa College of Medicine, Iowa City, USA.
- **Iowa Head and Neck Cancer & Reconstructive Surgery Course, June 6th-10th, 2006.** Department of Otolaryngology-Head and Neck Surgery, University

of Iowa College of Medicine, Iowa City, USA.

- Head and Neck Laser course, June 11th, 2006.

Department of Otolaryngology-Head and Neck
Surgery, University of Iowa College of Medicine, Iowa
City, USA.

**- Iowa Head and Neck Cancer & Reconstructive Surgery
Course, June 11th-16th, 2007.** Department of Otolaryngology-
Head and Neck Surgery, University of Iowa College of Medicine,
Iowa City, USA.

- International use of Antibiotics (Course), arranged by
JSK Company, **2010**, Cairo, Egypt.

- Management of dizzy patients (Course), arranged by
Chemyparm Company, **2011**, Hurgada, Egypt.

**B. Conferences Attended (Attached Certificates of
attendance):**

**- The 10th Annual Conference on Disease of The Nose &
paranasal Sinuses, March 24th - 25th, 2004 - Cairo,
Egypt.**

- **1st Conference of Otolaryngology in Assiut University,
October 5th-6th, 2004 - Assuit, Egypt.**
- **Alexandria 23rd International Combined ORL
Congress, April 13th-15th 2005 - Alexandria, Egypt.**
- **University of Iowa Center conference " Moving Asthma
from theory to therapy" Presenter of oral
presentation under the title" Sinusitis and Asthma:
Common Pathophysiology, Complementary
Treatment", May 4th, 2007- Iowa City, USA**
- **University of Iowa Center conference " Asthma and
the Enviroment", May 5th, 2006 - Iowa City, USA.**
- **The 53rd annual meeting of the American Rhinologic
Society, Presenter of oral presentation under the title
"Asthma outcome after endoscopic sinus surgery : A
difference in Aspirin - Tolerant and Aspirin- Induced
groups. September 15th, 2007- Washington DC, USA**
- **12th International Otolaryngology Conference, Suez
Canal University, June 11th-13, 2008 - Port Said,
Egypt.**

☐ **Alexandria 25th International Combined ORL Congress, 2009** - Alexandria, Egypt

☐ **Alexandria 27th International Combined ORL Congress, 2010** - Alexandria, Egypt.

☐ **Alexandria 27th International Combined ORL Congress, 2011** - Alexandria, Egypt

☐

D. Formal Study to Improve Teaching Abilities:

- Course of "**Quality Assurance Requirements in Teaching Process**" **Faculty and leadership Project**, Feb. 24th- 25th, 2008. Minia University , Egypt.

- Course of "**Communication skills, Faculty and leadership Project**" Feb. 19th- 21st, 2008. Minia University , Egypt.

- Course of "**Effective professional presentation**", **Faculty and leadership Project**, Feb. 3rd-4th, 2009. Minia University , Egypt.

-Course of "Medical Esthics", Faculty and leadership Project, Janu. 13th- 14th, 2009. Minia University , Egypt.

- Course of " management of research team", Faculty and leadership Project, Janu. 27th- 28st, 2009. Minia University , Egypt.

- Couse of : Conferences organization", Faculty and leadership Project,Janu. 20th- 21st, 2009. Minia University , Egypt.

- ICDL certificate in computer science.

- Passed TOEFL test in 2006 as a requirement for having an international scientific mission.

IX. Clinical Activities:

A. Inpatient:

- Consultant for following-up admitted in patients.
- Set standards of care; teach students, residents, and nurses quality post-operative care; responsible for Joint Commission on Accreditation of Hospital Rules and Regulation compliance.

B. Outpatient Clinic:

- Senior specialist for consultation out-patient clinic patients (About 50-75 daily cases)
- Teach students, residents in out-patient clinic.

C. Operating Room:

- Consultant with all basic experiences in otolaryngology and special experiences in:
 - 1- Management of maxillofacial trauma patients.
 - 2- Rhinoplastic surgery.
 - 3- Endoscopic Sinus Surgery (with experience in all basic procedures + Advanced and extended applications e.g. (management of CSF rhinorrhea, Inverted papilloma, skull base surgery,...)).
 - 4 - Teach medical students and residents in operating room the basic skills in otolaryngology.

X. Honors and Awards:

- The 1st position in "general information competition", 2003, Minia University, Egypt.
- International scientific mission for completing the Doctorate

Degree, one of only 15 annual available missions all over Egypt.

XI. Physical Facilities:

A. Office, Minia University Hospital, Otolaryngology
Department, 61111 Cornish Elnell Street, Minia, Egypt.

XII. Personnel Currently Supervised:

- Otolaryngology Residents.
- Medical Students.
- Specialists registered for Ph.D. and postdoctoral fellowships, Faculty of Medicine, Minia University, Egypt.

XIII. Bibliography:

Papers published:

- **Osama G. Awad**, John H. Lee, Mary Beth Fasano, Scott M. Graham. Sinonasal Outcomes after endoscopic sinus surgery in asthmatic patients with nasal polyps: A difference between aspirin-tolerant and aspirin induced asthma ? *laryngoscope*. vol. 118 No 7:1282-1286, July 2008.
- **O. G. Awad**. M. B. Fasano, J. H. Lee, and S. M. Graham. Asthma

outcomes after endoscopic sinus surgery in aspirin-tolerant versus aspirin-induced asthmatic patients. *American Journal of Rhinology*, vol. 22 No. 2:197-203, March-April 2008.
