

HOSSAM EL-DEEN MOHAMMAD MOHAMMAD MOHARRAM

01006061381| hossammoharram@gmail.com | 16 Adnan Elmalky st. Minia, Egypt

Current Position & Education

Assistant professor , Ophthalmology Department, Minia Faculty of Medicine, Minia University (Current).

2004: MD Ophthalmology, Minia University.

1997: MSc Ophthalmology, Minia University.

1993: MB, BCh, Minia University.

Professional Experience

2004: Lecturer of ophthalmology, Minia University.

1998-2004: Assistance Lecturer of ophthalmology, Minia University.

1995-1998: Residence of ophthalmology, Minia University hospital.

Master Degree Thesis

Electrophysiological and Fluorescein Angiographic Changes of Age- Related Macular Degeneration

Doctorship Degree Thesis

Correlation between echographic findings and vitrectomy findings in cases of complicated proliferative diabetic retinopathy and its impact on visual and anatomical outcome.

Professional Achievements

Foundation of:

2002: Pediatric and Strabismus Unit, Minia University Hospital.

2000: Vitreoretinal Surgery Unit, Minia University Hospital.
