

Minia University

Faculty of Medicine

## **Curriculum Vitae**

**Ebtesam Esmail Hassan,**  
**Msc., M.D. Public health and Preventive Medicine, Minia**  
Assistant Professor of Public Health and Preventive Medicine,  
Faculty of Medicine, Minia University, Minia, Egypt.  
**Telephone, Minia, Home: (0862594365)**  
Office (086) 2366149 Mobile:01149335908  
**E-mail: eptesamamar@yahoo.com**

### **Biographic Data:**

**Date of birth:** 12 December, 1981.  
**Birth place:** Minia, Egypt.  
**Sex:** Female  
**Home Address:** El-mazraa Street, El-Burgaia, Minia, Egypt.  
**Marital status:** Married, have three kids.  
**Language:** Arabic and English.

### **Medical degrees**

26/2/2013: MD Faculty of Medicine, Minia University  
27/1/2009: MSc. Faculty of Medicine, Minia University  
1/12/2004: MB, BCH, Faculty of Medicine, Minia University.

### **Professional and Academic Experiences:**

29/5/2018: Assistant Professor, Department of Public Health and Preventive Medicine, Faculty of Medicine, Minia University.

26/3/2013: Lecturer, Department of Public Health and Preventive Medicine, Faculty of Medicine, Minia University.

26/2/2009: Assistant Lecturer, Department of Public Health and Preventive Medicine, Faculty of Medicine, Minia University.

3/4/2006: Demonstrator, Department of Public Health and Preventive Medicine, Faculty of Medicine, Minia University.

1/3/2005: House officer, Minia University Hospital

**Temporary Assignment:**

- 1- Trainer in NGOs for raising recording of neonatal mortality.
- 2- Participant in a project of the national population council, General Department of Research 'Impact of socio-demographic and economic factors on the nutritional status of children in the stage of basic education'.
- 3- Participant in training project of geriatric care providers with Sawyers Foundation for development.

**Membership of:**

- Member of Egyptian Syndicate of Medicine.
- Member of Egyptian Association of Community Medicine.
- Medicine and fitness association
- Coordinator of the department in Quality Accreditation program of the faculty.
- Coordinator of the faculty in Quality Accreditation program of the faculty.

**Research Projects:**

2005: Monitor of polio immunization campaigns

2007: NGOs for raising recording of neonatal mortality.

2010: NGOs in health education sessions about breast and colorectal cancer in rural Minia

2012: NGOs for early detection and management of vitamin A deficiency among children in rural Minia .

2013: NGOs for detection and management of parasitic infestation and its relation to child malnutrition.

2014: Impact of socio-demographic and economic factors on the nutritional status of children in the stage of basic education in association with the National Population Council.

**Medical Education Experience:**
