

Sara Mohamed Mostafa Ahmed

Personal Profile

- **Place of Birth:** Minia-Egypt
- **Date of Birth:** 1-9-1986
- **Address:** Egypt, El-Minia, Minia University, Faculty of Science, Chemistry department
- **Telephone of work:** +0020862363011
- **Fax of work:** :+0020862363011
- **Mobil:** 01065856646
- **E-mail:** sara.ahmed@mu.edu.eg

Achievements

- **The best Ph.D. Thesis in Minia University Science day (March 2016)**

Education

- Academic Qualifications

- **B.Sc in Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt. June 2007**
- **M.Sc in Organic Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt. October 2010.**
- **Ph.D. in Organic Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt. December 2015.**

- Thesis

- **M.Sc. "Study of Chemical Interaction between Thiosemicarbazides and π -Deficient Reagents"**

- **Ph.D "Chemical Interactions between Thiocarbohydrazides and some π -Acceptors"**

Work Experience

- **Demonstrator in Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt.(June 2007-2010)**
- **Assistant Teacher in Organic Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt. October (December 2010- 2015).**
- **Teacher in Organic Chemistry, Chemistry Department, Faculty of Science, Minia University, El-Minia, Egypt. (December 2015-until now)**

Skills

- **Excellent English and Arabic both written and spoken and fair knowledge in France**
- **Teaching practical chemistry course to undergraduate students of Science, Pharmacy and Dentist faculties**
- **Teaching Environmental chemistry course to undergraduate students**
- **Teaching General chemistry (2) course to undergraduate students**

Hobbies and Interests

- **Reading books and stories**
- **Watching Opera performances]**

Referees

- **Alaa A. Hassan**, Professor Doctor at Minia University, Faculty of Science, Chemistry department, alaahassan2001@yahoo.com
- **Ashraf Aly**, Professor Doctor at Minia University, Faculty of Science, Chemistry department, ashrafaly63@yahoo.com
