SKILLS

- **General Urologic Surgery:**
- **(1) Renal:** Nephrectomies (simple, partial, radical) via various routes - Renal stone surgeries - Renal cyst surgeries - Pyeloplasty - Percutaneous Nephrolithotomy (PCNL) using pneumatic lithoclast. - ESWL experience using both fluoroscopic and ultrasound localization for all types of renal calculi.
- **(2) Ureteric:** Endoscopic ureteral surgery - Ureterscopes using semi-rigid and flexible scopes - Tremendous intracorporeal lithotripsy experience - Ureteric neoplasm ablation Open ureteral surgeries: - Ureterolithotomy - Vesico ureteral reimplantation using different techniques - Ureteric stricture substitution - Ureteric diversion techniques.
- **(3) Bladder:** Extensive endoscopic experience - Radical transurethral resection of vesical neoplasms - Cystectomies (partial, radical) - Vesical litholapxy and lithotripsy.
- **(4) Prostate:** Extensive experience in diagnostic and therapeutic methodology of prostatic diseases - Transurethral resection of the

PROFESSIONAL SUMMARY

Meticulous Consultant of Urology with 24 years of experience in urology and endourology.

WORK HISTORY

Consultant of urology 07/2020 - Current
DarTala medical complex and day surgery - Riyadh, Saudi Arabia

- Care of Urologic patients in OPD.
- Perform urologic operative procedures.
- Care of urologic patients in ER in case of need.
- Consultations for other departments.
- Participation in administrative meetings and documents.
- CMO of DarTala medical complex since April 2021.

Assistant Professor of Urology 04/2016 - Current
Minia University - Minia, Egypt

- Teaching Experience -Lecturing and clinical teaching to undergraduate medical students.
- Lecturing and clinical teaching to postgraduate students in Urology department, Faculty of Medicine, Minia University.
- Lecturing in Nursing school, Minia University Hospital.
- Patient care in OPD and clinical round.
- Complicated urological operative procedures and supervision of resident doctors

Consultant of Urology 12/2011 - 06/2020
Aljazeera Hospital - Riyadh, Saudi arabia

- Care of Urologic patients in OPD.
- Perform urologic operative procedures.
- Care of urologic patients in ER in case of need.
- Consultations for other departments.
- Participation in administrative meetings and documents.
- Chairperson of OR committee.
- Chairperson of educational program.

Ass. Lecturer of Urology 01/2000 - 01/2007
Minia University

Resident 01/1997 - 01/2000
Minia University Hospital

House officer 01/1996 - 01/1997
Minia University Hospital

prostate –Transvesical and retropubic prostatectomy.

- **(5) urethra:** Hypospadias surgery using different techniques –Optical internal urethrotomy –Urethroplasty. –Urethral trauma surgery.
- **(6) Penile surgery:** Priapism surgery – Fracture Penis surgery –Le-Peyronies surgery.
- **(7) Scrotal surgery:** Orchiopexy for undescended testes –Testicular neoplasm surgery –Varicocelelectomy

ADDITIONAL INFORMATION

Birth Date : 6 th November 1971, El-Minia- Egypt.

Religion : Muslim

Nationality : Egyptian.

Marital State: Married

EDUCATION

M.D. Urology, 2008

M.Sc., 2000

M.B.B.Ch, 1995

12/2016

Strasbourg university – France, France

Laparoscopic urology intensive course and diploma

Passed the First Part of European Board of Urology, 11/2020

AFFILIATIONS

–Member of European urological association.

– Member of American urological association.

– Member of Egyptian Urological Association.

CONFERENCES PARTICIPATION AND ATTENDANCE

– Attendance of the 53rd Annual meeting of EUA, December 3–7, 2018, Cairo, Egypt.

– Participated by one abstract during the 2018 36th World Congress of Endourology in Paris, France 20–23 September 2018.

–Attendance of the AUA annual meeting, 2014.

–Attendance of the 28th Annual EAU congress, Milan, 15–19 March 2013.

–Attendance of the 3rd international meeting “Challenges in Endourology & functional urology” Paris, 26–28 June, 2013.

–Participation by two abstracts during the 30th World Congress of Endourology & SWL, Istanbul, TURKEY, 4–8 September 2012.

–Participation by one abstract during the 1st Meeting of the EAU Section of Urolithiasis, London, 7–10 September 2011.

–Participant in most of the Urology Conferences in Egypt.
