- The Annual Meeting of The Egyptian Society of Cardiothoracic Surgery, 2009-2018.
- Assuit Video Assisted Thoracoscopic Surgery (VATS) Workshop, February 2018.

Memberships and Societies:

- *The Egyptian Society of Cardiothoracic Surgery*

Skills:

Egyptian Experience (March 2004 – to date):

- Adult cardiac surgery:
 - Coronary artery bypass surgery
 - Valve surgery
 - Valve repair
 - Aortic surgery
- Congenital Cardiac Surgery
- Thoracic surgery and Bronchoscopy
- Thoracic and Cardiac Trauma

Interests:

- Coronary artery bypass surgery
- Aortic surgery
- Valve surgery

Types of surgery done as senior surgeon:

A- Emergency surgery:

- Stab heart
- Stab chest, fire arm chest (pulmonary, mammary artery, and major blood vessel)
- Rigid bronchoscopy for foreign body extraction
- Tamponading pericardial effusion
- Emergency cardiac surgery stuck prosthetic valve
- Tracheal trauma
- Intercostal tube insertion for hemothorax and pneumothorax
- Blunt trauma to the sternum (fracture sternum repair)

B- Elective surgery:

➤ Adult Cardiac surgery:

- Valve replacement (mitral, aortic, and tricuspid repair)
- Coronary artery bypass graft
- Redo surgery
- Aortic aneurysm repair
- Pericardiectomy
- Rewiring for sternal dehiscence

➤ Congenital cardiac surgery

- ASD
- VSD
- PDA

➤ Chest surgery

- Bronchoscopic biopsy
- Mediastinoscopy
- Tracheal resection anastomosis
- Open lung biopsy
- Decortication for pleural thickening
- Bullectomy for apical lung bullae
- Lobectomy
- Inter costal tube insertion

Computer and Language Skills:

- Microsoft Office- Internet.
Achieved; ICDL tests (International Computer Driving license).
- Arabic, Mother tongue.
- Fluent in English.
TOEFL International (Computer based) exam.

Research activities:

1-Master thesis and its title:

“Recent Advances in Aortic Valve Repair”

2- Doctorate thesis and its title:

“Skeletonized versus Pedicled Internal Thoracic Artery Grafts in Coronary Artery Bypass Grafts of Diabetic Patients”

Publications:
