

Personal Data

Surname: Elshafei

Full Name: Ahmed Mohamed Kamal Elshafei Darwish

Work Address: Ophthalmology Department, Faculty of Medicine, Minia University,
Minia, Egypt

Private Clinic: Nile Hospital, Cairo- Assuit Agricultural Road, Mallawi, Minia, Egypt

Home address: 85 Sad Zagloul St; Minia, Egypt

Phone: 00201222189871

E-mail: ahmed.elshafi@mu.edu.eg

Date of birth: 1st of August 1969

Nationality: Egyptian

Language: Arabic, Mother tongue, Fluent in English

Marital status: Married and has two sons (medical students).

License for practice: Egyptian Registry no: 112163 Issue date: 06-03-1993

Current position: Professor and head of Ophthalmology Department and head of
Oculoplastic Unit, Minia University, Minia, Egypt

Academic Qualifications

- 20-12-1992: M.B.B.Ch. Medicine and surgery, excellent with honor degree. Faculty of Medicine, Minia University, Minia, Egypt
- 29-06-1997: M.Sc. Ophthalmology, excellent, Faculty of Medicine, Minia University, Minia, Egypt
- 01-05-2001: International council of ophthalmology (ICO), Basic Ophthalmology and optics
- 12-01-2003: MD Ophthalmology Faculty of Medicine, Minia University, Minia, Egypt
- 05-05-2004: Fellowship of the Royall College of Surgeons (FRCS) Glasgow UK

Professional Records

- 01-03-1993: Intern of General Medicine and Surgery, Minia University Hospital, El-Minia, Egypt
- 01-03-1994: Resident of Ophthalmology, Minia University Hospital, El-Minia, Egypt
- 28-10-1997: Assistant lecturer of Ophthalmology, Minia University, Egypt
- 25-02-2003: Lecturer of Ophthalmology, Minia University, Egypt
- 30-03-2008: Assistant professor of Ophthalmology, Minia University, Egypt
- 01-01- 2010: Head of Oculoplastic Unit, Minia University, El-Minia, Egypt
- 30- 5- 2017: Member of the scientific committee of the Egyptian fellowship of Ophthalmology
- 01-01-2017: Professor of Ophthalmology, Minia University, El-Minia, Egypt
- 01-08-2019 to date: Head of ophthalmology Department, Minia University, El-Minia, Egypt

- 14-05-2020 Reviewer in the promotion committee for the positions of professors and assistant professors of Ophthalmology in The Supreme Council of Universities of Egypt.

Thesis Titles

- M.Sc.: Incidences of eye diseases in school age children
- M.D.: Evaluation of the different diagnostic modalities of proptosis

Subspecialty

- Orbit and Oculoplastic and reconstructive surgery

Other interests

- Neuro-ophthalmology and Ultrasound biomicroscopy (UBM)

Teaching Activities

- 1997 to date: Demonstrator of clinical rounds in Ophthalmology for fourth year medical students, Minia University, Minia, Egypt
- 2003 to date: Lectures in Ophthalmology for fourth year medical students, Faculty of Medicine, Minia University, Minia, Egypt
- 2005: Ophthalmology lectures in the national training center of the Ministry of Health, Cairo. Egypt
- 2005 to date: Postgraduate lectures in Ophthalmology, Faculty of Medicine, Minia University, Minia, Egypt
- 2013 to date: Instruction courses of Neuro-Ophthalmology in the Egyptian Ophthalmological Society Conferences, Cairo, Egypt
- 2017 to date: courses of Oculoplasty and ocular and orbital anatomy for students of the Egyptian fellowship of Ophthalmology

International Publications

2020

- 1- **Anatomical and functional outcomes of subthreshold micropulse laser versus intravitreal ranibizumab injection in treatment of diabetic macular edema**

International Journal of Retina and Vitreous 3-12 2020

Publisher: BMC Springer Nature

Co-authors: Amr Abdelrahman, Wagiha Massoud, Ahmed Mohamed Kamal Elshafei, Mahmoud Genidy and Raafat Mohyeldeen Abdelrahman Abdallah

- 2- **Resorbable polylactic acid polymer plates in repair of blow-out orbital floor fractures**

European Journal of Ophthalmology 31-May 2020

Publisher: SAGE Journals

Co-authors: Mohamed Esmail Khalil Esmail MD, Mohamed Farag khalil Ibrahiem MD, Raafat Mohyeldeen Abdelrahman Abdalla MD, Tamer Ismail Gawdat MD, FRCSEd.

- 3- **Three-snip punctoplasty versus perforated plugs for management of lacrimal punctal stenosis**

European Journal of Ophthalmology 19- May 2020

Publisher: SAGE Journals

Co-authors: Salma Samir Tamer, Raafat Mohyeldeen Abdelrahman Abdalla MD

- 4- **Implant material used for orbital floor fractures**

Indian Journal of Public Health Research and Development January 2020

Co-authors: Mohamed Esmail Khalil Esmail MD, Mohamed Farag khalil Ibrahiem MD, Raafat Mohyeldeen Abdelrahman Abdalla MD, Tamer Ismail Gawdat MD, FRCSEd.

2017

5- Clinical Profile and Outcomes of Management of Orbital Cellulitis in Upper Egypt.

Journal of ophthalmic inflammation and infection 9 March 2017

Publisher: springer

Co-authors: Mohamed Farouk Sayed and Raafat Mohyeldeen Abdelrahman Abdalla

2016

6- In Vivo Evaluation of Implantable Collamer Lens Using Ultrasound Biomicroscopy

International Journal of Ophthalmology 08 September 2016

Publisher: Hindawi Publishing Corporation

Co-authors: Mahmoud Mohamed Genaidy MD & Hossam Mohamed Moharram MD

2014

7- Gold Weight Implants for Management of Thyroid-Related Upper Eyelid Retraction

Ophthalmic Plastic & Reconstructive Surgery: 2014

Publisher: Wolters Kluwer

Co-authors: Raafat Mohyeldeen Abdelrahman Abdalla MD

2012

- 8- Evaluation of lacrimal drainage system obstruction using combined multidetector CT and instillation dacryocystography

The Egyptian Journal of Radiology and Nuclear Medicine September 2012

Publisher: Elsevier

Co-authors: Mohamed Shweel MD, Raafat Mohyeldeen Abdelrahman Abdalla MD, Mahmoud Mamdouh Nassar MD, FRCS(Glasg.)

National Publications

2004

- 1- Congenital esotropia with abnormal medial rectus insertion: BULL. OPHTHALMOLOGY .SOC EGYPT; VOL.97, NO.6, 2004

Co-authors: Laila M. Hammouda and Mahmoud M Nassar MD, FRCS (glas.)

2005

- 2-Ultrasound Biomicroscopic Evaluation of the Ciliary Processes after Cyclocryotherapy: BULL. OPHTHALMOLOGY .SOC EGYPT; VOL.98, NO.3, 2005

Co-authors: Yehia M. Khairat, MD and Yasser Helmy, MD

- 3-Corneo-scleral thickness in patients with rheumatoid arthritis in relation to their clinical profile: BULL. OPHTHALMOLOGY .SOC EGYPT; VOL.98, NO.1, 2005

Co-authors: Laila M. Hammouda MD, Abdou ELlabban MD

- 4-Idiopathic Anterior Chamber Granuloma in Children, Diagnostic Attainment: BULL. OPHTHALMOLOGY .SOC EGYPT; VOL.98, NO.6, 2005

Co-authors: Ahmed M Eid MD, Yasser H Mohamed MD

- 5-Equatorial horizontal width (EHW) in eyes with retinal breaks: BULL. OPHTHALMOLOGY .SOC EGYPT; VOL.98, NO.4, 2005

Co-authors: Yehia M. Khairat, MD and Laila M. Hammouda

2007

6-The use of ultrasound biomicroscopy (UBM) for evaluation of intermediate uveitis: EL- MINIA MED., VOL. 18, NO.1, JAN., 2007

7-A New Technique for Hydrodissection: EL- MINIA MED., VOL. 18, NO.1, JAN., 2007

8-Non-Traditional Risk Factors for Diabetic Retinopathy: BULL. OPHTHALMOLOGY .SOC EGYPT; VOL.100, NO.4, 2007

Co-authors: Yasser H Mohamed MD, and Mohamed A. Sharawe, MD

2011

9-Posterior capsulotomy and anterior vitrectomy in pediatric cataract: Anterior versus posterior 23- gauge pars plana approach

Co-authors: Hossam Eldeen Mohammad Moharram, MD, Ezz Eldin Galal, MD, and Mahmoud Mamdouh Nassar MD (FRCS)

Lateral Transcanthal canthopexy in lower lid laxity

Co-authors: Raafat Mohyeldeen Abdelrahman, MD and Yasser H Mohamed MD

Assessment of the posterior corneal surface changes after LASIK treatment of myopia using Pentacam. Journal of Egyptian Ophthalmological Society 2014, 107:10–15

Co-authors: Yehia Khyrat, Ahmed Elshafei, Raafat M. Abdelrahman, Noha H. Abdelmalk

Quantitative assessment of optic disc edema using spectral domain optical coherence tomography Journal of Egyptian Ophthalmological Society 2014, 107:49–54

Co-authors: Raafat Mohyeldeen Abdelrahman, Heba Radi AttaAllah

The outcome of preoperative subconjunctival bevacizumab injection in pterygium surgery Journal of Egyptian Ophthalmological Society 2014, 107:113–116

Co-authors: Ahmed S. Mohamed, Mohamed F. Sayed

2015

Association between pseudoexfoliation syndrome and sensorineural hearing loss. Journal of Egyptian Ophthalmological Society 2015

Co-authors: Mohamed Elbadry MD

2018

Direct brow lift versus transblepharoplasty browpey for correction of brow ptosis Journal of Egyptian Ophthalmological Society 2018

Co-authors:

Mahmoud M.M Genaidy, Raafat M.A Abdallah, Mahmoud M Shetawy

Reviewer and ditor activities

Reviewing activites in:

Ophthalmic Plastic & Reconstructive Surgery

Delta Journal of ophthalmology

Editorial board member of: Henry Journal of Ophthalmology and Optometry

HJOO Ophthalmology

Supervision

M.Sc. Thesis

1- Lamellar Keratoplasty

By Ahmed Abd-Elhamid

2- Ocular Applications oF Ultrasound Biomicroscopy

By Ashraf Khedr

3- Assessment of the posterior corneal surface changes after LASIK treatment of myopia using Pentacam

By: Noha H. Abdelmalk

4- Comparative Study between Intravitreal and Sub-Tenon Triamcinolone Acetonide in the Treatment of Diabetic Macular Edema

By: Tamer Ahmed Ali Ahmed

5-Direct brow lift versus transblepharoplasty browpey in management of Brow ptosis

By Mahmoud Shetawy

6- Evaluation of Polytetrafluoroethylene (Ptose- up) in Management of Severe Blepharoptosis

By Ahmed ElKady

7- Evaluation of Myopic choroidal neovascular membrane versus wet age related macular degeneration by optical coherence tomography angiography

By Mohamed Siad

8- Three snipes versus perforated plugs for management of punctual stenosis

By Salma Samir Tamer

MD Thesis:

1-Management of corneal Astigmatism with cataract surgery

By Asmaa Oribey

2-ReLEx (FLEx and SMILE techniques) and Wfg-LASIK in correction of astigmatism

By Mohamed Attia

3-Micropulse Laser versus IV anti- VEGF injection in diabetic macular edema, Multifocal ERG and OCT study

By: Amro Ahmed

4-Resorbable polymer plates in repair of Blow-out Orbital Floor Fracture

By Mohamed ismail Khalil

5- Primary Kahook dual blade goniotomy versus medical therapy for treating newly diagnosed open angle patients

By Bothaina Mohammed Ahmed Khalifa

International conferences

- 2003: International Congress on Glaucoma Surgery, Luxor, Egypt
- 2009: International Symposium of Pediatric Ophthalmology, Alexandria, Egypt
- 2013: European Society of Ophthalmology, Copenhagen, Denmark
- 2013: European Society of Cataract and Refractive Surgery, Amsterdam, Netherlands
- 2014: European Society of Cataract and Refractive Surgery, London, UK
- 2015: Evolving practice of ophthalmology Middle East Conference Dubai, UAE
- 2015: European Society of Cataract and Refractive Surgery, Barcelona, Spain, with oral presentation under the title of:
(In Vivo Positional Analysis of Implantable Collamer Lens Using Ultrasound Biomicroscopy)
- 2015 American Academy of ophthalmology, Las Vegas, USA
- 2016: the 7th European congress of Ophthalmology, Madrid, Spain with oral presentation under the title of: Clinical Profile and Outcomes of Management of Orbital Cellulitis in Upper Egypt
- 2017: The European congress of Ophthalmology, Rome, Italy
- 2018: European Society of Cataract and Refractive Surgery, Vienna, Austria

National conferences

- 2005: Ophthalmological society of Ophthalmology with oral presentation (*Ultrasound Biomicroscopic Evaluation of the Ciliary Processes after Cyclocryotherapy*) Cairo Egypt
- 2008: Upper Egypt Ophthalmology Conference with oral presentation (*Non Traditional Risk Factors For Diabetic Retinopathy*) Sohage, Egypt
- 2009: Summer meeting of the Egyptian Society of Ophthalmology with oral presentation (*Lateral transcanthal canthopexy in lower lid laxity*), Alexandria, Egypt
- 2009: Upper Egypt Ophthalmology Conference with oral presentation (*Ultrasound biomicroscopy UBM*) Assuit Egypt
- 2010: Upper Egypt Ophthalmology Conference with oral presentation (*Refractive lens exchange*) El-Minia, Egypt
- 2011: Ophthalmic plastic society of Egypt with oral presentation (*Post evisceration surprise*), Cairo Egypt
- 2013: Upper Egypt Ophthalmology Conference with oral presentation (*New Imaging Modality of Lacrimal Drainage System*) Assuit Egypt
- 2014: Upper Egypt ophthalmology conference with oral presentation (*Pediatric cataract*) Hurghada, Egypt
- 2016: Upper Egypt Ophthalmology Conference with oral presentation (*Management of orbital cellulitis*) Assuit, Egypt
- 2016: Ophthalmic plastic society of Egypt with oral presentation (*Ptosis sling surgery*) Cairo Egypt

- 2016: Egyptian Society of investigative ophthalmology with oral presentation (UBM in intermediate uveitis)
- 2017: Annual congress of the Egyptian society of glaucoma instruction course (angle closure glaucoma)
- 2017: Great minds Orchidia meeting with oral presentation (Decision Making in Cataract Management), Minia, Egypt
- 2018: Upper Egypt Ophthalmology Conference with oral presentation (*Management of astigmatism with cataract surgery*) Minia, Egypt
- 2018: Annual congress of the Egyptian society of glaucoma instruction course (angle closure glaucoma) and oral presentation (Association between Pseudo-Exfoliation Syndrome and Sensorineural Hearing Loss)
- 2018: Great minds Orchidia meeting with oral presentation (orbital imaging)
- 2018: Afro-Asian Conference with oral presentation (examination of the pupil)
- 2018: EGVRs meeting in Alexandria, Egypt
- 2018: Upper Egypt retina meeting, Aswan, Egypt
- 2018: Egyptian Society of investigative ophthalmology with oral presentation (orbital imaging)
- 2019: EGVRs meeting in Cairo, Egypt
- All Egyptian Ophthalmological Society Conferences, Cairo, Egypt 1993-2019
- All Upper Egypt Ophthalmology Conferences 1993- 2020
- OPSE conference Cairo December 2020

Surgical Skills***Oculoplastic surgery:***

- Various Orbitotomies
- Orbital tumors excision and biopsies
- Evisceration, enucleation and orbital exenteration
- Drainage of orbital Subperiosteal abscess
- Various ptosis surgeries
- Gold weight implantation
- Blepharoplasty
- Lid tumors excision and reconstruction
- Lid margin malposition surgeries
- Different lacrimal surgeries

Anterior segment surgery:

- Phacoemulsification and extracapsular cataract extraction
- Pediatric cataract surgeries
- Phakic IOL implantation (ICL& Artisan)
- LASIK
- LAISK Extra
- PRK
- PTK
- Corneal rings (Femto laser)
- Glaucoma surgery (trabeculotomy, trabeculectomy, combined phaco-trabeculectomy, cyclocryotherapy, cyclodiode photocoagulation)
- Ptreygium

Laser procedures:

- Glaucoma: iridotomies, trabeculoplasty
- Retina: retinal breaks, PRP, macular edema

Intravitreal injections:

- Antibiotics
- Anti VEGF

Investigations:

UBM and US

Orbital CT and MRI

Perimetry

F/A

OCT and OCT angiography
