

# **CURRICULUM VITAE**

**AMAL T. ABDEL-RAHMAN**

M.B.B.Ch, MSc, MD

### **Personal Details**

Name: Amal Talaat Abdel- Rahman.

Date of birth: 08/11/1967

Nationality: Egyptian.

Contact Details:  
*Address:* 9 Maple Grove,  
Hessle,  
East Riding of Yorkshire, UK  
HU13 0TH

*Tel No:* +201158335252 (Egypt)

*E-mail:* [atalaat2000@yahoo.co.uk](mailto:atalaat2000@yahoo.co.uk)

Current Post: Assistant professor of Dermatology and Venereology.

### **Qualifications**

- 2005 **MD (Dermatology and Venereology)**  
Minia University  
Egypt.
- 1995 **M.Sc. (Dermatology and Venereology)**  
Minia University  
Egypt.
- 1990 **M.B.B.Ch.**  
Minia Faculty of Medicine,  
Al- Minya University,  
Egypt.

## **Appointments**

### **Present Appointment**

- April 2015 till now      **Assistant professor of Dermatology and Venereology.**  
Minia University, Egypt.

### **Previous Appointments**

- March 2005- April 2015      **Lecturer in Dermatology and Venereology**  
Minia University, Egypt
- June 2003- March 2005      **Assistant Lecturer (Dermatology and Venereology)**  
Minia University, Egypt
- April 1999- May 2003      **Overseas honorary research Fellow (Dermatology and Venereology) Scholarship sponsored by the Egyptian Government.**  
Barts and The London NHS Trust,  
Queen Mary and Westfield College,  
London, UK
- July 1995- April 1999      **Assistant Lecturer (Dermatology and Venereology)**  
Minia University, Egypt
- March 1995- July 1995      **Demonstrator (Dermatology and Venereology)**  
Minia University, Egypt
- March 1992 to February 1995      **Resident (Dermatology and Venereology)**  
Minia University Hospital, Egypt.
- March 1991 to February 1992      **House officer (Intern)**  
Minia University Hospital,  
Egypt.

## **Teaching Experience**

- Medical Student Dermatology Course:
- Teaching House officers during their 2 months subspecialty.
- Departmental journal club
- Trainee weekly protective teaching
- Departmental clinical cases' discussion.

To increase my teaching abilities, I did the following courses:

January 2020	انشاء مواقع Minia University, Egypt
January 2020	Advanced word Minia University, Egypt
December 2019	SPSS Minia University, Egypt
December 2019	مكافحة الفساد (A1) Minia University, Egypt
October 2019	نظم الامتحانات وتقويم الطلاب (T3) Minia University, Egypt
October 2019	الجوانب المالية والقانونية (L3) Minia University, Egypt
February 2013	نظام الساعات المعتمدة (T2) Minia University, Egypt
February 2013	العرض الفعال (C2) Minia University, Egypt
January 2013	الادارة الجامعية (L2) Minia University, Egypt
January 2013	معايير الجودة في العملية التدريسية (T4) Minia University,

## Egypt

February- March 2005	<b><i>International Computer Driving Licence (ICDL) Course</i></b> Minia University, Egypt
September 2004	<b><i>Information Technology Course</i></b> Minia University, Egypt
June 2004	<b><i>Improvement of Teaching Skills of University Staff Course</i></b> Minia University, Egypt
May 2004	<b><i>How to teach course</i></b> (two weeks) Minia University, Egypt

## **Management Experience**

- Quality control manager in the Dermatology and Venerology department, Minia University.
- Organising the rota during my house officer, residency, assistant lecturer and consultant periods.
- During my residency, I set the first **liaison clinic** between the dermatology and the psychiatry departments every week attended by a dermatologist and a psychiatric doctor which is still running till now.
- Member of the organising committee of Al- Minya Dermatology Department Annual Meetings, (1992 - 2004). I was involved in preparing the case presentations and was responsible of the IT unit during the meetings
- Member of the organising committee of the Sixth Al- Minya Dermatology Department Annual Meetings, 2005. I was responsible for the international guest speakers' transportations and accommodations and was involved in the social program of the meeting.

## **Academic Experiences**

I was the Assistant Editor of the Egyptian Dermatology Online Journal.  
<http://www.edoj.org.eg>

## **Publications**

- **2020**

- **Anbar et al.**, Non-cultured epidermal suspensions obtained from partial thickness epidermal cuts and suction blister roofs for vitiligo treatment: A prospective comparative study. *J Cosmetic Dermatol* (accepted for publication 13 January 2020)

- **2019**

- **Anbar et al.**, Number of Keratinocytes and Melanocytes in Cell Suspensions Obtained from Partial Thickness Epidermal Cuts and Suction Blister Roofs for Vitiligo Treatment: A Prospective Randomized Comparative Study. *JEWDS* 2019 (accepted for publication 29 December 2019)
- **Anbar et al.**, Factors affecting the outcome of the suction blisters using two different harvesting techniques in vitiligo patients. *J Cosmetic Dermatol*. 2019 Nov 20 (Ahead of print).
- **Anbar et al.**, Clinical evaluation of interrupted versus continuous narrowband ultraviolet B phototherapy in non-segmental vitiligo treatment: A prospective randomized comparative study. *Dermatol Therapy*. 2019 Nov;32(6): e13117

- **2018**

- **Anbar et al.**, Syringes versus Chinese cups in harvesting suction-induced blister graft: a randomized split-body study. *Int J Dermatol*. 2018 Oct;57(10):1249-1252

- **2017**

- **Anbar et al.**, Simultaneous improvement and worsening of vitiligo lesions during the course of NB-UVB phototherapy; vitiligo may not act as one unit. *Dermatol Therapy*. 2017 Jan;30(1). e12420.

- **2015**

- **Anbar et al.**, The effect of latanoprost on vitiligo: a preliminary comparative study. *Int J Dermatol*. 2015;54(5):587-93.

- **2014**

- **Anbar et al.**, Erythroderma, Scaly Scalp and Nail Dystrophy: A Misleading Association. *Journal of Clinical & Experimental Dermatology Research* 2014, 5: 3

- **2013:**

- **Anbar et al.**, Clinical study of nail changes in vitiligo. *Journal of Cosmetic Dermatology* 2013; 12: 67--72

- **2012:**

- **Anbar et al.** The effect of H<sub>1</sub> and H<sub>2</sub> receptor antagonists on melanogenesis. *Indian Journal of Dermatology, Venereology and Leprology* January-February 2012; 78(1): 64-67.

-**Anbar et al.** Effect of PUVA therapy on melanocytes and keratinocytes in non-segmental vitiligo: histopathological, immuno-histochemical and ultra-structural study. *Photodermatology, Photoimmunology & Photomedicine* 2012; 28: 17–25.

-**Anbar et al.** A new morphometric technique for assessment of melanization in skin of guinea pigs. *Photodermatology, Photoimmunology & Photomedicine* 2012; 28: 42–46.

- **2009:**

-**Anbar et al.** The hair follicle melanocytes in vitiligo in relation to disease duration. *Journal of the European Academy of Dermatology and Venereology* 2009; 23, 934–939.

-**Anbar et al.** Presence of eosinophils in the inflammatory infiltrate of non-segmental vitiligo: a retrospective study. *Clinical and Experimental Dermatology* 2009; 34, e496– e497.

- **2008:**

-**Anbar et al.** The Effect of One Session of ER: YAG Laser Ablation Plus Topical 5Fluorouracil on The Outcome of Short-Term NB-UVB Phototherapy In Treatment of Non- Segmental Vitiligo: A Left- Right Comparative Study. *Photodermatology, Photoimmunology and Photomedicine Journal*, 2008; 24, 322–329.

-**Anbar et al.** Vitiligo occurring at sites of interferon-alpha 2b injection in a patient with chronic viral hepatitis C: a case report". *Clinical and Experimental dermatology*, 2008; 33, 500–522.

-**Anbar et al.** Vitiligo on anterior aspect of neck in Muslim females: case series. *International Journal of Dermatology* 2008; 47(2): 178- 179.

- **2006**

-**Anbar et al.** Are Segmental and Non- Segmental Vitiligo Different Disease Entities? Clinical Profile of 100 Vitiligo Patients. *Egyptian Dermatology Online Journal* 2006; 2(2): 3

-**Anbar et al.** Evaluation of the effects of NB-UVB in both segmental and non-segmental vitiligo affecting different body sites. *Photodermatol Photoimmunol Photomed* 2006; 22: 157–163

**-Anbar et al.** Treatment of periungual vitiligo with Erbium-YAG- Laser plus 5- Flurouracil: A left to right comparative study. *Journal of Cosmetic Dermatology* 2006; 5, 142–146

### **Presentations**

- The changes of melanocytes number and melanin density occurring in vitiligo patches during six months of NB-UVB therapy (oral presentation). *Sharm Derma Meeting, Sharm El-Sheikh, Egypt 2012*
- The role of H<sub>1</sub> and H<sub>2</sub> antagonists in inhibition of UVB- induced melanogenesis in Guinea pigs (oral presentation). *EADV 15th Congress, Rhodes, Greece 2006*
- Treatment of periungual vitiligo with Er:YAG laser and 5 Fluorouracil: *EADV 14th Congress, London, UK 2005.*
- Vitiligo: unusual presentations and associations. *EADV 13<sup>th</sup> Congress, Florence, Italy 2004*
- Epidemiology and clinical aspects of vitiligo in Al- Minya and Luxor, Egypt. *IX International Congress of Dermatology, Beijing, China, 2004*
- Combination systemic Therapy is superior to single therapy in treatment of severe psoriasis. (Poster presentation). *World Congress of Dermatology, Paris, France, 2001*
- Clinical cases presentation at the *Egyptian Society of Dermatology and Venereology yearly meeting, Cairo, Egypt (1991-2004).*
- Clinical cases presentation at the *Al- Minya annual clinical Meetings, Al-Minya, Egypt.*
- Prevalence of Psoriasis in Al- Minya Province. *Al- Minya, Egypt*

### **Audits:**

I have been involved in the following audits:

- **1997:** Is there any relation between atopic dermatitis and mites?
- **1996:** Relationship between acne and polycystic ovary.
- **1995:** Psycho- cutaneous disorders.
- **1994:** Prevalence of skin tumours in Al- Minya Province.

## **Thesis**

- **2003:**  
MD thesis in Dermatology and Venereology  
**“Comparative Study Between Systemic Therapies Used for Severe Psoriasis”,**  
Minia University, Egypt.  
The thesis was done at the Dermatology department, Royal London Hospital and included 191 patients with severe psoriasis on systemic therapy to find out the most effective and the safest form of therapy.
- **1994:**  
Master of Science Thesis in Dermatology and Venereology  
**“Prevalence of Psoriasis in Patients Attending Al- Minya University Hospital”,**  
Minia University, Egypt.  
The epidemiological study was carried out on 3000 dermatology patients attending the outpatient clinics at Al- Minya University Hospitals. Psoriatic patients were diagnosed clinically, photographed and biopsied to differentiate different types of psoriasis.

## **Memberships and Societies**

- European Vitiligo Task Force Group
- Global Consensus for Vitiligo
- Egyptian Medical Syndicate.
- Egyptian Association of Dermatology and Venereology
- Egyptian Women’s Dermatologic Society

## **Conferences and Meetings**

### **International Meetings:**

- ***International Pigment Cell Research Meeting***, Bordeaux, France 21<sup>st</sup> -24<sup>th</sup> September 2011
- ***16<sup>th</sup> Meeting of the European Society for Pigment Cell Research***, Cambridge, UK 4-7 September 2010
- ***La Societe Marocaine de Dermatologie Esthetique et Chirurgie (SOMADEC)***, Al-Rabat, Morocco 12-12 June 2009
- ***14<sup>th</sup> Meeting of the European Society for Pigment Cell Research***, Bari, Italy 14<sup>th</sup> -17<sup>th</sup> October 2007
- ***EADV 16th Congress***, Vienna, Austria, May 2007
- ***EADV 15th Congress***, Rhodes, Greece, October 2006
- ***EADV 14th Congress***, London, UK, October 2005
- ***International Congress of Cosmetic Dermatology and Laser with Cosmoderm***, Cairo, Egypt, September 2004
- ***World Congress of Dermatology***, Paris, France, July 2002

- *Annual Meeting of the British Association of Dermatology*, July 2001, Cardiff.
- *EADV 9th Congress*, Geneva, Switzerland, October, 2000. During which I did a **Dermato-pathology Workshop**.
- *ESPCR Meeting*, Cambridge, UK, September 2010

#### **National Meetings:**

- *30th Annual Conference of the Egyptian society of Dermatology and Venereology*, Cairo, Egypt, January 2013
- *Sharm Derma Conference*, Sharm El-Sheikh, Egypt, November 2012
- *20th International Annual Conference of The Egyptian Women's Dermatologic Society*, Cairo, Egypt, December 2011
- *Minia Dermatology International Symposium*, Minia, Egypt April 2011
- *Minia Eighth Dermatology and Andrology International Conference*, Minia/Hurghada, Egypt 25<sup>th</sup>- 28<sup>th</sup> March 2009
- *Minia Seventh Dermatology and Andrology International Conference*, Minia 5-7 April 2007
- *Cairo derma II Meeting*. Cairo, Egypt 3-6 September 2006
- *Al- Minya Sixth Dermatology Meeting*, Al- Minya, Egypt, 22-26 June 2005
- *14th Annual Scientific Congress of the Egyptian Women's Dermatologic Society*, Cairo, Egypt, March 2005
- *15th Annual Meeting of the Egyptian Society of Andrology*, Cairo, Egypt, December 2004
- *13th Annual Congress of the Egyptian Women's Dermatologic Society*, Cairo, Egypt, March 2004
- *Annual Meetings of the Egyptian Society of Dermatology and Venereology*, Cairo, Egypt 1992- 2004
- *Al- Minya Clinical Dermatology Meetings* 1992- 2004

#### **Honours and awards**

2012	The best research in medical dermatology award
2009	Dr. Abdulwahab A-Fawzan Award for Distinguished Research in Dermatology Award
1999- 2003	Award of Internal Mission Scholarship to submit MD thesis, Egyptian Government, funded for 2 years.
1995	Award of The Best Clinical Case Presentation, Egyptian Society of Dermatology and Venereology Yearly Ramadan Meeting.

- |      |  |
|------|--|
| 1990 | Awarded one of the top 5 graduate<br>Minia Faculty of Medicine,<br>Minia University.         |
| 1984 | Award of the “Top Students, rank number 30, of<br>the Final year at A level” of Upper Egypt. |
| 1982 | Award of First Place in National School Sports<br>Olympics. (400 meters running)             |
| 1981 | Award of Second Place in National School<br>Sports Olympics. (200 meters running)            |

### **Other Interests**

- Computing and multimedia.
- Travelling.
- Photographing.
- Cooking.
- Hand crafts
- Oil painting
