

# C. V.

**Name:** Sahar Torky Abdelrazik Abdelaziz

**Birth date:** 4 March 1974

**Sex:** Female

**Marital state:** married and having 2children

**Residence:** Pharoses tower, Agricultural school street, Shalaby – Minia- Egypt

**E mail:** [sahar.torky@yahoo.com](mailto:sahar.torky@yahoo.com); sahar.abdelrazek@mu.edu.eg

**Mobile:** 01065716074

## Positions

- **House officer** Al Minia university hospital from March 1999 to February 2000
- **Resident** of ophthalmology, Minia university hospital from March 2000 to February 2002
- **Assistant lecturer** of ophthalmology Minia school of medicine from 10 April 2002
- **Lecturer** of ophthalmology from 28-9-2008 until June 2017.
- **Assistant Professor** of ophthalmology from June 2017 until now.

## Degrees

- **M.B.B.Ch**, Minia school of medicine Dec. 1997
- **Master degree** in ophthalmology 2002
- **MD degree** in ophthalmology 2008

## Clinical experience

- Dealing with patients in the ophthalmology out patients' clinic for 22 years in Minia university hospital: all cases with uveitis, cataract, glaucoma and ocular trauma.

- Surgical interference for patients with cataract, glaucoma, LASIK, strabismus and other minor surgeries.
- Clinical attachment in pediatric ophthalmology clinic for 18 months in Ophthalmology research institute.
- Clinical attachment in pediatric ophthalmology clinic for 6 months in Norwich and Norfolk university hospital from January to June 2007.
- Clinical and surgical management of strabismus cases from 2008 until now: all horizontal and vertical strabismus.
- Ocular ultrasound, visual field and fluorescein angiography examinations.

### **Teaching experience:**

- Teaching the ophthalmology clinical round for the 4<sup>th</sup> year students Minia School of medicine from 2002.
- Teaching strabismus course for undergraduate (4th year students) Minia School of medicine from 2008 until now.
- Teaching strabismus course for postgraduate in ophthalmology from 2008 until now.
- Teaching course Physiology of the eye for postgraduate in ophthalmology from 2008 until now.

### **Membership**

- Member of the Egyptian ophthalmological society (EOS).
- Member of the Egyptian society of cataract and refractive surgery.
- Member of the World Society of Pediatric Ophthalmology and Strabismus (WSPOS).

### **Thesis**

1. Study of the axial length of the globe and corneal curvature changes after strabismus surgery (Master degree thesis)
2. Evaluation of the augmented surgery in management of partially accommodative esotropia (MD degree thesis)

### **Others:**

- Attended the annual and summer meeting of the EOS every year
- Sharing in organization of ophthalmological conferences of the upper Egypt universities in association with the EOS and Egyptian vitreoretinal society

- Attended ESOPRS meeting in Como (Italy) 2011.
- Attended ESOIRS meeting in Dubai 2013.
- Attended ESCRS meeting in London 2014.
- Attended ISCEV symposium in Boston 2014.
- Attended glaucoma symposium in San Francisco in 2015.
- Attended glaucoma symposium in San Francisco in 2016.
- Attended Oxford Ophthalmological Congress in 2015, 2016 and 2019.
