department-Alexandria University 4-5 May 2017**

Extra curricular interest

I am fond with reading, especially novels. Also, I like walking in open areas and Nile cruises in my country.

I prefer to spend part of my free time with my family talking care of my lovely children.

I shared in some social activities like visiting orphanage.

Referees

Prof Dr:Hossam Eldin Shawky

Vice deen faculty of medicine, minia university.
