## **MY EXPERIENCE**

During my period as SHO in General Surgery in our department from (March 2004 to March 2008) I spent 18 months in General Surgery department and ER. I started in Emergency unit and during my period in this unite I have gained experience in dealing with emergency cases (adult or pediatric) and poly trauma patients and learned how to resuscitate, diagnose and treat it under supervision of our professors.

2<sup>nd</sup> Rota was in pediatric surgery unit ,I learned in this unite how to diagnose and manage different types of surgical pediatric problems

At the last year of SHO in our department, I have finished my thesis to gain master degree in Surgery, and then I passed M.Sc .exam.

From June 2009 till now my duties as an assistant lecturer in Pediatric Surgery Unit ,General Surgery department in El-Minia faculty of medicine are:

\_Taking 2 Rota (day time) every week and same number for on calls at night in Emergency and trauma unit (General Surgery).

\_Participation in laparoscopy list once weekly including at least two cases (Pediatric Surgery).

\_ Participation in elective lists twice weekly including at least five cases (one General & one Pediatric Surgery).

- Having 3 day emergency shifts in Pediatric Surgery unit with 2 residents

\_Organization of the duty rotes for SHOS, weekly presentations and Audit meetings.

- **Non -medical experience:**

- TOEFL score 580 in 2008.
- ICDL certificate in 7 modules.

## **Teaching experience**

- Organizing Lectures for the sixth year medical students.
- Participation in teaching pre-registration surgery trainees.
- Clinical and surgical supervision and training to the SHOs.

## **Memberships**

- Head of Minia Medical Student association MMSA (2000: 2003).
- Member of International medical Student Association IMSA (2000 – 2003).
