

Curriculum Vitae

Personal Data

Name	Gamal El-Din Ali Ahmed Hassan Abuo-Rahma
Date of Birth	09-02-1967
Nationality	Egyptian
Place of Birth	Assiut
Marital Status	Married +three
Military Services	Exempted
Address	Med. Chem. Dept., Faculty of Pharmacy, Minia University- 61519-Minia, Egypt.
Occupation	Lecturer in Pharmaceutical Medicinal Chemistry
E-mail address	gamalaburahma@yahoo.com
Telephone	Home: 002-086-2333117 Mobile: 002-0103069431 Work: 002-086-2369075 FaX: 002-086-2369075

Qualifications

Doctor of Philosophy	In Pharmaceutical sciences (Pharmaceutical medicinal chemistry), Bonn University, Germany and Minia University Egypt, February 2004 (Channel System) titled " Novel Diazeniumdiolates and Diazeniumdiolate Hybrids as Nitric Oxide Donors " under supervision of Prof. Dr. Jochen Lehmann, Prof. Dr. Ali El-Emam, Prof. Dr. Mohamed Montasser Abdelhakeem, Dr. Mohammed Fouad Radwan.
Master	In Pharmaceutical Sciences (Pharmaceutical medicinal chemistry), Faculty of Pharmacy, Assiut University, Assiut, Egypt: September 1998 titled: "Preparation of Some Nalidixic acid hydrazides of Potential antidepressant activity" . Under supervision of Prof.Dr. Adel Fawzy Youssef, Prof. Dr. Farghaly A. Omar, Prof. DR. Hoseny El-sherief.
Bachelor	in Pharmaceutical Sciences, Faculty of Pharmacy, Assiut University, Assiut, Egypt: May 1990, with the general grade: "Very Good With the Degree of Honor" .

Previous Designations

Demonstrator	In Department of Pharmaceutical Chemistry, Faculty of Pharmacy, Al-Azhar University at Assiut from July 1994 to July 1999. This occupation entitles teaching undergraduate practical courses of pharmaceutical medicinal, organic and analytical chemistry and covering research work on the Master degree
Associate lecturer	In department of Pharmaceutical chemistry, faculty of pharmacy, Al-Azhar University at Assiut since October 1998 to July 1999. Also this occupation includes both teaching undergraduate courses of pharmaceutical medicinal, organic and analytical chemistry.
Associate lecturer	In department of medicinal chemistry, faculty of pharmacy, Minia University, Minia, Egypt, since July 1999 until March 2004. Also this occupation includes teaching undergraduate practical courses of organic and medicinal chemistry.
Lecturer	<p>In pharmaceutical medicinal chemistry from March 2004 till now. This occupation includes teaching undergraduate practical and theoretical courses in pharmaceutical medicinal chemistry and sharing in supervision on three master theses. Also, a lecturer for undergraduate students in the fields of pharmaceutical organic chemistry and organic spectroscopy courses.</p> <p>In addition, a lecturer for postgraduate students in advanced medicinal chemistry, advanced organic chemistry and organic spectroscopy courses</p>

Research Experiences

- Design, synthesis, purification and analysis of organic compounds suspected to have pharmacological effects.
- Structural elucidation of various groups of synthesized products using spectroscopic techniques including IR, NMR, elemental analysis and MS.

- Biological study of the synthesized compounds by the help of others.
- A good experience in the field of nitric oxide donors chemistry especially diazeniumdiolates, nitrate esters, oximes, synthesis of diazeniumdiolates using NOtizer machine, synthesis of nitric oxide donating prodrugs and nitric oxide donating hybrids in the labs. of Prof. Dr. Jochen Lehmann in Germany from 1 March 2001 to 30 May 2003 .
- A good experience in design and synthesis of anticancer agents especially diazeniumdiolates, nitrones.
- Participation in the development of the NOtizer machine for the synthesis of diazeniumdiolates.
- Finished the supervision on three master theses.
- Co-supervisor in one Master and four PhD theses.

Language

English: Fluent written and spoken.

German: To some extent written and spoken.

French: Fair written and spoken.

Meetings & Activities.

1. Assiut Univ. 1st Pharm. Sci. Conference, Faculty of Pharmacy, Assiut, Egypt, March, 4-5, 1998.
2. Assiut Univ. 1st Pharm. Sci. Conference, Faculty of Pharmacy, Assiut, Egypt, March, 6-7, 2004.
3. XVIIth Platelet Meeting, Eberebach, Germany, October 10-12, 2002.
4. 2nd Nitric Oxide Meeting, Prag 2002.
5. Al-Azhar 4th International Conference for Pharmaceutical and biological Sciences, Cairo, 4-6 November 2006.
6. Passed the faculty and leadership development project (FLDP), P4, 2004.

7. Passed the faculty and leadership development project (FLDP), T1, 2005.
8. Passed the faculty and leadership development project (FLDP), T2, 2006.
9. Passed the faculty and leadership development project (FLDP), in Quality Assurance, 2007.
10. A Facilitator for the site-visit for the developmental engagement at the faculty of pharmacy, Minia University by the quality assurance and accreditation project ministry of higher education and state for scientific research 5-8 November 2006.
11. The Manager of the quality assurance and accreditation unit, faculty of pharmacy, Minia University since the end of 2006 till now.
12. Passed the Training of Trainers (TOT) program for project of "pathways to higher educations", faculty of engineering, Cairo University funded by the Ford foundation held at Minia University from 23-27 December 2006.
13. A trainer in the project of "pathways to higher educations", faculty of engineering, Cairo University funded by the Ford foundation in the field of "Thinking and Managerial Skills" at Minia University from 27-29 January 2007.
14. A part-time lecturer at Misr International University (MIU) in Cairo in the courses of Pharmaceutical Chemistry and drug design in the years 2005/2006 & 2006/2007& 2007/2008.
15. A part-time lecturer at MSA University, 6-October, Cairo in the courses of Pharmaceutical Chemistry in the summer Semester the academic year 2007/2008.
16. The winner for the "SamaSina" prize for the best research paper at Minia University 2006/2007.

17. A trainer in the project of "pathways to higher educations", faculty of engineering, Cairo University funded by the Ford foundation in the field of "Argumentation" at Minia University from 9-12, February 2007.
