

# CURRICULUM VITAE

## Personal Information:

- Name: Sara Mohamed Naguib Abd El-Hafez Ali
- Date Of Birth: 25<sup>th</sup>, October, 1981
- Nationality: Egyptian
- Marital status: Married and have three children.
- E-mail address: sara\_histology@yahoo.com
- Address: Qatar, Doha, El Saad, 66 Kanana Street.
- Current position: Lecturer of histology, cell biology, Faculty of medicine, Minia University, El-Minia, Egypt.
- Telephone: Cellular: 01061479147  
Home: 0862318664

## Academic Qualifications...

### 1. **MBB.CH Degree** : In medicinal Sciences

Institute: Faculty of medicine, El-Minia University

Date: December, 2004

Grade: Excellent with honor

### 2. **Master Degree**: In histology and cell biology

Institute: Faculty of medicine, El-Minia University

Date: September, 2009

Title: "Developmental expression of cyclooxygenase in rat liver tissue"

### 3. **MD Degree**: In histology and cell biology

Institute: Faculty of medicine, El-Minia University

Date: May, 2014

Title: "Structural Changes in the Renal Cortex of Male Albino Rat Following Cadmium Administration and the Protective Effect of Nigella Sativa Oil"

## Other certificates:

- Net scales courses
- Toefl certificate
- Courses:
  - Quality Assurance
  - Effective Communication
  - Effective Presentation
  - Ethics
  - Recent trends in teaching-

## Research experiences & interested areas:

- Good experience in tissue processing, staining (H&E, silver and PAS.....etc.).
- Good experience in micrographs using ordinary light and electron microscope
- Good experience in immune-histochemical technique.

## Languages & Computer Skills:

- Arabic (Native language)
- English: excellent
- International Computer Driving License (ICDL) certificate.
- Good experience in Microsoft office (Word, Power point), Adobe Photoshop, Internet browser and search.....etc.

## Teaching experience

### ▲ 2004-2009

**Demonstrator of Histology & Cell biology** at histology department, faculty of medicine Minia University. Taught practical General, special histology and cell biology to under-graduate students of medicine, pharmacy, clinical pharmacy and Dentistry.

### ▲ 2009- May 2014

**Assistant lecturer of Histology & Cell biology** at histology department, faculty of medicine Minia University. Taught practical General, special histology and cell biology to under-graduate students of medicine, pharmacy, and Dentistry.

▲ *May 2014-current*

**lecturer of Histology & Cell biology** at histology department, faculty of medicine Minia University. Taught practical General, special histology and cell biology to under-graduate students of medicine, pharmacy, and Dentistry. Participating in the practical, oral and written examination works for the under- graduate students.
