

Moustafa Mahmoud Ahmed Ali
Address: Mallaway-El minia-Egypt
Mobile: (+2) 01140406572
E-mail: moustafa.ali@mu.edu.eg

Personal Information

- **Nationality** : Egyptian
- **Date of Birth** : 17/9/1989
- **Military Service** : Exempted
- **Marital Status** : Married⁺¹

Academic Qualifications

- **B.Sc** of Computers and Information – **Information Systems Department** - Minia University – July 2010.
- **M.Sc** degree in Information Systems – Cairo University – May 2017.

Publications

- Moustafa Mahmoud Ahmed, Ahmed Ibrahim Hafez, Mohamed M Elwakil, Aboul Ella Hassanien, and Ehab Hassanien. A multi-objective genetic algorithm for community detection in multidimensional social network. In The 1st International Conference on Advanced Intelligent System and Informatics (AISI2015), November 28-30, 2015, Beni Suef, Egypt, pages 129{139. Springer, (2016).
- Moustafa Mahmoud Ahmed, Mohamed M Elwakil, Aboul Ella Hassanien, and Ehab Hassanien. "Discrete Group Search Optimizer for Community Detection in Social Networks." International Joint Conference on Rough Sets. Springer International Publishing, 2016.
- M. M. Ahmed, M. M. Elwakil, A. E. Hassanien and E. Hassanien, "Discrete Group Search Optimizer for community detection in multidimensional social network," *2016 12th International Computer Engineering Conference (ICENCO)*, Cairo, 2016, pp. 47-52.
doi: 10.1109/ICENCO.2016.7856444

Current Work

- Lecturer Assistant at faculty of computers and information – Information Systems department – Minia University.

Technical Profile

- Strong working knowledge of programming languages and utilities.
- Implement latest technologies in software development track.
- Troubleshooting skills.
- Communication and Inter-personal skills.

Professional Skills

- **Programming Languages**
 - Solid using object oriented programming
 - C#
 - C++
 - Matlab
 - Intel x86 Assembly

- **Scripting Languages/Web Design**

- HTML
- CSS
- Java Script
- ASP.NET
- AJAX
- Web services

- **Database Management Systems DBMS**

- Microsoft® SQL Server™ Microsoft® Access
- ADO.NET
- Linq to SQL
- Crystal report

- **Operating Systems**

- Windows
- Linux

Conceptual Knowledge

- Good understanding of Object-Orientation concepts.
- Good understanding of Database designing concepts.
- Good understanding of Software Engineering concepts.
- Good Document and Designing applications with UML, Petri Nets, and BPMN.

Soft Skills

- Interactive and fast enough to learn new technologies and sciences (Anything, Anytime).
- Ability to work under pressure.
- Good Communication Skills.
- Good Research Abilities.
- Self-motivated.
- Ability to work in a group or individually according to the job requirements.

Languages

- **Arabic** : Native Language
- **English**: Good Read, Write and Speak
